A Guide to Truth for the Jehovah's Witness Ron Abud, 2025-10-09 Over the years, from time to time, Jehovah's Witnesses have stopped by the house. Once, two Witnesses came by during a busy Christmas season. Being preoccupied, I invited them to come back another time. One of them did; he came back twice. Both times, after I'd invited him inside to chat, something unrelated came up that required me with an apology to end his visit prematurely. Following the second interruption, I agreed to meet with him again after the holidays had passed. His commitment was admirable; it inspired me to do some research in expectation of his return. He never did return, but that research is the foundation of this book. It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts. The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God. In the New World Translation of the Holy Scriptures (NWT), the translations of these Greek and Hebrew excerpts are not correct. They have been altered, changed in ways which make it seem as if Jesus was created. The author of the NWT, the Watchtower Bible and Tract Society, Watchtower Society.

justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s true prophet The irreconcilable problem here for the Watchtower Society is that God s truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book Conversations with Jehovah's Witnesses Ron Rhodes,2014-02-01 An unfamiliar car parks near your house and two pleasant looking folks approach your front door The doorbell rings and after exchanging pleasantries your unexpected guests offer you some literature from the Watchtower Society What will you say What should you say Should you engage your visitors in conversation at all And if so how Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah s Witnesses demonstrating helpful techniques for listening asking questions avoiding offense and more He includes the information you need to address the big issues including the New World Translation of the Bible the divine name the Trinity salvation and the afterlife With this practical kindhearted and easy to understand resource you can actually enjoy discussions about your faith when Jehovah s Witnesses come to call and you can lovingly guide them to the truth about Jesus Christ *JEHOVAH'S WITNESSES 101* Edward D. Andrews,2022-05-18 Each year the Jehovah s Witnesses spend about 2 billion hours evangelizing their communities around the world in 357 languages Many think that they know the Jehovah s Witnesses but the sources are usually twofold 1 They are misinformed Bible scholars who have read books and websites by disgruntled ex Jehovah s Witnesses 2 They have read books or comments by disgruntled ex Jehovah s Witnesses Herein you will learn a lot that you may have not known and learn some things about how to better evangelize them or if you are even up to evangelize them Moreover we will use some arguments often raised about Jehovah s Witnesses as our text case from such persons as J Warner Wallace is a leading Evangelical Christian apologist today Here is what you will need to know in order to effectively share your faith with JWs when they come knocking **Changing World Religions, Cults & Occult ,**
