Kangaroo Dhlawrence With Notesbiographyillustrated English Edition:

Kangaroo Illustrated David Herbert Lawrence, 2020-01-21 Kangaroo is D H Lawrence's eighth novel set in Australia. He wrote the first draft in just forty-five days while living south of Sydney in 1922 and revised it three months later in New Mexico. The descriptions of the country are vivid and sympathetic and the book fuses lightly disguised autobiography with an exploration of political ideas at an immensely personal level. Based on a collation of the manuscript typescripts and first editions, this text of Kangaroo is closest to what Lawrence would have expected to see in print. There is a full textual apparatus of variants, a comprehensive introduction giving the background and history of composition and publication, and a summary of contemporary reviewers' opinions. Explanatory notes elucidate the many geographical, political, and literary allusions in the text; there are three maps and an appendix detailing Australian locations. D. H. Lawrence's Australia Dr David Game, 2015-08-28 In this first full-length account of D H Lawrence's rich engagement with a country he found both fascinating and frustrating, Game examines how Australia informed the utopian and regenerative visions that characterize so much of Lawrence's work. He sheds new light on Lawrence's attitudes towards Australian Aborigines, women, and colonialism, and revisits key aspects of Lawrence's development as a novelist and thinker. D.H. Lawrence's Australia David Game, 2016-03-09 The first full-length account of D H Lawrence's rich engagement with a country he found both fascinating and frustrating, D H Lawrence's Australia focuses on the philosophical, anthropological, and literary influences that informed the utopian and regenerative visions that characterise so much of Lawrence's work. David Game gives particular attention to the four novels and one novella published between 1920 and 1925, what Game calls Lawrence's Australian period, shedding new light on Lawrence's attitudes towards Australia in general and more specifically towards Australian Aborigines, women, and colonialism. He revisits key aspects of Lawrence's development as a novelist and thinker, including the influence of Darwin and Lawrence's rejection of eugenics, Christianity, psychoanalysis, and science. While Game concentrates on the Australian novels such as Kangaroo and The Boy in the Bush, he also uncovers the Australian elements in a range of other works, including Lawrence's last novel, Lady Chatterley's Lover. Lawrence lived in Australia for just three months, but as Game shows, it played a significant role in his quest for a way of life that would enable regeneration of the individual in the face of what Lawrence saw as the moral collapse of modern industrial civilisation after the outbreak of World War I. *Australian National Bibliography: 1992* National Library of Australia, 1988 Book Notes Illustrated, 1923 **Ireland, Revolution, and the English Modernist Imagination** Eve Patten, 2022 Studies the response of English writers during the first half of the twentieth century to the process of revolution in neighbouring Ireland.
