#### Karl Barth And The Future Of Evangelical Theology:

Karl Barth and the Future of Evangelical Theology Christian T. Collins Winn, John L. Drury, 2014-11-17 The theology of Karl Barth has been a productive dialogue partner for evangelical theology For too long however the dialogue has been dominated by questions of orthodoxy The present volume seeks to contribute to the conversation through a creative reconfiguration of both partners in the conversation neither of whom can be rightly understood as preservers of Protestant Orthodoxy Rather American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post Reformation era while Barth is revisited as a theologian attuned both to divine and human agency In the ensuing conversation questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people This volume brings together seasoned Barth scholars evangelical theologians and some younger voices united by a common desire to rethink both Karl Barth and evangelical theology By offering an alternative to the dominant constraints the book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology Karl Barth and the Future of Evangelical Theology Christian T Collins Winn, John L Drury, 2017-09-28 The theology of Karl Barth has often been a productive dialogue partner for evangelical theology but for too long the dialogue has been dominated by questions of orthodoxy Karl Barth and the Future of Evangelical Theology contributes to the conversation through a creative reconfiguration of both partners in the conversation neither of whom can be rightly understood as preservers of Protestant orthodoxy Rather American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post Reformation era while Barth is revisited as a theologian attuned both to divine and human agency In the ensuing conversation questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people By offering an alternative to the dominant constraints this book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology For the Sake of the World George Hunsinger, 2004-05-11 George Hunsinger is Hazel Thompson McCord Professor of Systematic Theology at Princeton Theological Seminary founder of the National Religious Campaign Against Torture and recipient of the 2010 Karl Barth Award from the Union of Evangelical Churches in Germany Among his other recent books are The Eucharist and Ecumenism Let Us Keep the Feast and Torture Is a Moral Issue Christians Jews Muslims and People of Conscience Speak Out After Fundamentalism Bernard Lawrence Ramm, 1983 The Enlightenment of the eighteenth century brought into existence modern learning and modern attitudes at the same time it created the most serious challenge to Christianity since the early days of the Church Liberal Christianity was created to formulate a way of living with the aftermath of the Enlightenment but made the fateful mistake of surrendering the substance of Christianity as historically understood At the same time orthodoxy evangelicalism and fundamentalism have struggled to respond properly to the Enlightenment Now Bernard Ramm's groundbreaking After Fundamentalism offers a way of doing theology using Karl Barth's methodology as a model that allows a Christian to both be a child of the Enlightenment and

maintain the historic substance of Christianity After Fundamentalism reconciles the great gains of the Enlightenment with authentic Christianity to show how a Christian can without compromising his or her beliefs live fully as a modern person in Karl Barth Christiaan Mostert, Geoff Thompson, 2000-12-31 What do the colon and the question mark in the title signify Does the colon denote relatedness or separation What is the effect of the question mark Does the interrogative question the future of Karl Barth s approach to theology make a claim for Barth as a postmodern theologian or challenge the notion of postmodern theology altogether These papers pose sharply the question of how the name Karl Barth and the term postmodern relate or more pointedly how or whether theology as understood and practised by Barth and self declared postmodern theology have anything to do with each other at all From the epilogue by Wes Campbell Victor! Donald G. Bloesch, 2001-08-20 Karl Barth s theology is both challenging and disconcerting to those who stand in the tradition of Protestant evangelicalism Yet his theological method presents a solid alternative to both rationalism and mysticism that dominate much current theology With striking clarity Dr Bloesch analyzes Barth's theology with special emphasis on his doctrine of salvation Barth holds that everything that is of any consequence in the religious dimension of human life has already been accomplished in Christ Johann Christoph Blumhardt characterized this theme by the phrase Jesus Is Victor In Christ Jesus the victory over the powers of darkness was forever secured and the whole world is now claimed for his kingdom In this theology there is no final rejection of humanity by God no irrevocable condemnation Analyzing this controversial stance Dr Bloesch raises questions and takes issue at many points not as a hostile critic but as a student debating with a master teacher The result is a significant evaluation of one of the theological giants of the twentieth century at the point of his major doctrine Experience, Culture and Religion in Systematic Theology Edmond Zi-Kang Chua, 2023-01-01 Most systematicians take as their starting point the nature of God and scripture as the means by which God s nature is revealed but what would a systematic theology look like that began with an experiential knowledge of God Here Edmond Chua offers a method for just such an approach Beginning with realms of human experience including psychology cultural diversity and religious plurality he builds the framework of a systematic theology that is inclusive and pluriform while retaining the core tenets of a Christian doctrine of God Notwithstanding his novel methodology Chua's argument remains biblically rooted and appreciative of the Christian tradition In the latter half of the book he returns to the classical doctrines of the Trinity Christology evil sin and salvation allowing his inclusive view of the human religious experience to shed new light on the wisdom bequeathed by Paul Augustine Aquinas Luther Barth and others The result is a bold Christian vision that is culturally engaged and globally applicable of interest to systematic theologians while contributing to interreligious dialogue The Future of Evangelical Christianity Donald G. Bloesch, 1988 **Evangelicalism and Karl Barth** Phillip R. Thorne, 1995-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and

translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers Karl Barth and Radical Politics, Second Edition George Hunsinger, 2017-10-17 Karl Barth was one of the most important Christian theologians of the twentieth century but his political views have often not been taken sufficiently into account Beginning with a representative early essay by Karl Barth this volume proceeds with essays by Friedrich Wilhelm Marquardt Helmut Gollwitzer Hermann Diem Dieter Schellong Joseph Bettis and George Hunsinger These contributions engage both the relationship of Barth's theology to his socialist politics as well as Marquardt's analysis This new edition expands upon the earlier one by adding three new essays by Hunsinger on Barth s theology and its relevance for human rights liberation theology and the theories of Ren Girard on violence and scapegoating Hunsinger has extended the discussion as well as deepened our insight into how theology can speak meaningfully about fundamental issues of human need With contributions from Karl Barth Friedrich Wilhelm Marguardt Helmut Gollwitzer Hermann Diem Dieter Schellong Joseph Bettis George Hunsinger Karl Barth and Evangelical Theology Sung Wook Chung, 2006 Over the past twenty years renewed interest in Karl Barth has made him a major voice in contemporary systematic theological circles once again This work explores the substantial convergences and divergences between Barth's theology and the historic evangelical faith It will appeal to evangelical readers interested in reassessing the influence and impact of Barth's theology Contributors include Kevin J Vanhoozer Alister E McGrath Timothy George Gabriel Fackre Stanley Grenz and Henri Blocher Jurgen Moltmann and Evangelical Theology Sung Wook Chung, 2012-04-23 Jurgen Moltmann is now regarded as one of the most influential theologians since Karl Barth However evangelical engagement with Moltmann has been hesitant and deficient This book fills the gap Ten respected evangelical theologians engage with Moltmann's theology in a mature dynamic and critical manner seeking to appropriate from it in a discerning manner The contributors include Sung Wook Chung Kurt Anders Richardson Veli Matti Karkainen Stephen N Williams and Timothy Bradshaw This book is an excellent demonstration of intellectual confidence and respectability of robust evangelical theology Engaging with Barth David Gibson, Daniel Strange, 2008 Karl Barth's theological legacy provides both opportunity and challenge for historic confessional evangelicalism This volume engages critically and courteously with Barth on a range of vital topics where for the contributors his interpretation of Scripture reading of church history and confession of Christian doctrine are unsatisfactory This engagement is offered as a positive contribution to the wider programme of constructive theological reflection that seeks to articulate the gospel of Jesus Christ in and for the contemporary world in the conviction that the pattern of sound teaching 2 Timothy 1 13 really matters BOOK JACKET Evangelical Theological
