

Edexcel Style Exam Source Question – Martin Luther King

How useful are sources B and C as evidence of King's campaign in the North?
Explain your answer using sources B and C and your knowledge of the historical context.

Source B: A photograph showing non-violent direct action protest in Chicago on 25 June 1966. Demonstrations organised in the city showed that non-violent direct action could still draw a lot of support.

Source C: From an interview with Linda Brant Hall in 1998. She lived in Chicago and was a member of Core.

When King came he wanted to work with just one umbrella group. He did not understand that each group had a program of its own – had leaders of its own, had its own direction but we all had a common goal and needed somebody like King. When he came in to try and discount what was already here, I think, he offended quite a few people.
