Intermediate Accounting J. David Spiceland, James F. Sepe, Mark W. Nelson, 2011 Adopters and reviewers praise Intermediate Accounting 6 e by Spiceland Sepe Tomassini for its superior readability strong supplements package learning system good EOC real world flavor consistent quality and high student engagement SST 6 e will gain support in both traditional and progressive accounting departments especially those looking for a more concise decision making text that

reinforces challenging concepts The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure but why its applied SST 6 e is built around a Learning System designed to prepare students for the new CPA exam and the business world by emphasizing decision making Acknowledging the diversity of students and their learning styles the authors have created a clear text and varied supplemental materials to aid the success of every student Teaching IFRS Richard M.S. Wilson,Ralph W. Adler,2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal Solutions manual to Intermediate accounting (14th edition, volume 1: chapters 1-14).
