SMITH,2020-06-15 Joseph Shuter Smith 1893 1950 was an American born in Philadelphia who enlisted in the 29th  
Vancouver Battalion in the fall of 1914 He saw service along the Belgian front and in August 1916 was given a commission in  
the British Army At the time this manual on trench warfare was published in 1917 he was serving as a Second Lieutenant in  
the infantry service with the British Expeditionary Force on the French front The information set forth in his manual was  
garnered from different instruction courses and his own observations and practise whilst on active duty and covers all  
aspects of trench building maintenance communication use of weapons etc together with notes on the duties of platoon

commanders and officers Illustrated with diagrams Shuter was also the author of *Over There and Back in Three Uniforms Being the Experiences of an American Boy in the Canadian British and American Armies at the Front and Through No Man's Land* *Trench Warfare* J. S. Smith, 2015-08-06 Excerpt from *Trench Warfare A Manual for Officers and Men* It is a safe bet that when the German army started for Paris they had plans for use in the event of disaster The disaster occurred and a new type of warfare requiring the highest courage skill and endurance was born I say born because although trench warfare was known before it died in birth compared to this war for the amount of science energy and variety of weapons used More earth has been removed by a combination of man pick and shovel in making these trenches than was excavated to make the Panama Canal possible and in less time It is my object in this book to give a faint idea and knowledge of the trenches and to approximately explain the way warfare is carried on and I offer the information contained herein as a basic foundation on which to use the further knowledge you will gain as an officer and which for obvious reasons I will not and cannot give here About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works ... **Manual for Trench Artillery** United States.
