Teaching English

Abroad Susan Griffith, 2005 Fully revised new edition of the definitive guide to short and long term opportunities around the world for both trained and untrained teachers in the booming field of teaching English as a foreign language Contains substantial chapters on finding work in over 20 countries where EFL is a major industry including lists of language schools which hire English teachers Plus full information on how to become qualified the role of recruitment agencies what to take etc

The Practice of English Language Teaching Jeremy Harmer, 1991 In this new edition there is a new chapter on teaching vocabulary a section on discovery techniques more on task based learning and learner training and a recognition of the change of perception about what communicative competence might be Many of the categories of communicative activities have been rearranged and there is a more detailed account of teacher roles together with a section on the use of the mother tongue The sample lesson plan has been changed and the many examples from textbooks generally reflect the materials now in use rather than those which were current when the first edition came out Forum, 1990
