How the Holy Spirit Works Jimmy Swaggart, 2005-01-01 Three Governing Laws in Genesis and Romans Dr. Solomon Chijindu Okpali, 2023-03-24 About the Book At creation the man was free from the burden of sin and knew no shame But he became carnally minded because of the demise of this innocence following his disobedience of God's instruction Therefore man fell and would henceforth struggle in strife for a decent livelihood Laws came to the rescue as enabling hands for guidance and restoration Thus in various dimensions we find the operation of the Law of Sin and Death and the Mosaic laws But these as tall as they stood proved inadequate to relieve humanity of the burden of sin and restore him to the heavenly realm Then came the law of the Spirit of Life in Christ Jesus with attendance of the Cross and Grace Man thus was delivered with Liberty and free will subsequent to the Cross experience Although man receives freedom and free will he is not complacent in the equation of salvation He has a part to play even with the new law of Love Regardless man is made perfect only by the blood unto righteousness Sin is cleansed only in Christ Jesus Humanity cannot override sin nature by the power of self Therefore in today's world of strife and restlessness it is expedient for us believers to refocus our energies on the One who is able to separate us from the inherent strikes and troubles in this earth realm We must realize at least as believers that alone man is unable to sustain himself While at this two other laws must not be forgotten These are the laws of Faith and Love In our divine quests we cannot conceive and harvest our desires from God in isolation of faith Love is the cord that ties it all About the Author Solomon Okpali PhD Theology is a minister of the word and a copywriter

The Body, with Study Guide Charles Colson, 1996-05 In this watershed book Charles Colson castigates today's consumer oriented McChurch mentality that has Christians flitting from church to church in search of soothing sermons and a feel good gospel

John Jimmy Swaggart, JOHN BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality

paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

Disorganized Christianity Keith H. McIntosh, 2023-06-30 Some simple and exact beliefs organized religion has about an apple a whale three wise men at Jesus's birth why Noah was the best man God could have chosen to repopulate the earth after the global flood the treatment of women slaves Blacks and homosexuals along with many other false dogmas will be exposed in this book Disorganized Christianity will also address some lesser known events like angels having sex with Eve's daughters what the origin of the Antichrist's number 666 could be that Eve NEVER sinned in the Garden of Eden and the Biblical fact that Jesus CANNOT BE the Messiah I had a falling out with my local church pastor One week I was singing Amazing Grace and the next week I wasn't even allowed in HIS building I decided very quickly to reread the Bible with a different set of eyes and a different heart and determine for myself if organized religion was correct in its damnation of my soul Organized religion was not even close to being able to defend its damning position against me I taught them scriptures and in the process recaptured my soul I created a little study guide for others to fend off the relentless attacks on their souls by mean spirited and intolerant Christians The study guide grew into this book Disorganized Christianity We converted non Christians now see the real darkness of organized religion's dogma and we are no longer bound by its condemnation
