*A Guide to Truth for the Jehovah's Witness* Ron Abud, 2025-10-09 Over the years, from time to time, Jehovah's Witnesses have stopped by the house. Once, two Witnesses came by during a busy Christmas season. Being preoccupied, I invited them to come back another time. One of them did; he came back twice. Both times, after I'd invited him inside to chat, something unrelated came up that required me with an apology to end his visit prematurely. Following the second interruption, I agreed to meet with him again after the holidays had passed. His commitment was admirable; it inspired me to do some research in expectation of his return. He never did return, but that research is the foundation of this book. It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts. The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God. In the New World Translation of the Holy Scriptures (NWT), the translations of these Greek and Hebrew excerpts are not correct. They have been altered, changed in ways which make it seem as if Jesus was created. The author of the NWT, the Watchtower Bible and Tract Society, Watchtower Society.

justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s true prophet The irreconcilable problem here for the Watchtower Society is that God s truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book Conversations with Jehovah's Witnesses Ron Rhodes,2014-02-01 An unfamiliar car parks near your house and two pleasant looking folks approach your front door The doorbell rings and after exchanging pleasantries your unexpected guests offer you some literature from the Watchtower Society What will you say What should you say Should you engage your visitors in conversation at all And if so how Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah s Witnesses demonstrating helpful techniques for listening asking questions avoiding offense and more He includes the information you need to address the big issues including the New World Translation of the Bible the divine name the Trinity salvation and the afterlife With this practical kindhearted and easy to understand resource you can actually enjoy discussions about your faith when Jehovah s Witnesses come to call and you can lovingly guide them to the truth about Jesus Christ *JEHOVAH'S WITNESSES 101* Edward D. Andrews,2022-05-18 Each year the Jehovah s Witnesses spend about 2 billion hours evangelizing their communities around the world in 357 languages Many think that they know the Jehovah s Witnesses but the sources are usually twofold 1 They are misinformed Bible scholars who have read books and websites by disgruntled ex Jehovah s Witnesses 2 They have read books or comments by disgruntled ex Jehovah s Witnesses Herein you will learn a lot that you may have not known and learn some things about how to better evangelize them or if you are even up to evangelize them Moreover we will use some arguments often raised about Jehovah s Witnesses as our text case from such persons as J Warner Wallace is a leading Evangelical Christian apologist today Here is what you will need to know in order to effectively share your faith with JWs when they come knocking **Changing World Religions, Cults & Occult ,**

**REVIEWING 2013 New World Translation of Jehovah's Witnesses** Edward D. Andrews,2018-01-28 REVIEWING 2013 New World Translation of Jehovah s Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words

so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism **Cult Shock** Mark Stengler,2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah s Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah s Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler s recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence End-time Visions Richard Abanes,1998 In this look at doomsday madness its history leaders followers and dogma Abanes cites historical antecedents from the Middle Ages and the Renaissance and discusses in detail the myriad of popular doomsday prophets including Japan s Aum Shinrikyo and other international movements Illustrations **Bible Advocate** ,1994 **The 10 Most Important Things You Can Say to a Jehovah's Witness** Ron Rhodes,2001-08-15 Highlights false prophecies of Jehovah s Witnesses leaders errors in the New World Translation Bible their unbiblical views Behind the Watchtower Curtain David A.
