Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post World War II slang and unconventional English, published sources given for each entry, often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1 000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

Anyone You Want Me To Be John Douglas, Stephen Singular, 2012-12-11

Legendary FBI profiler and New York Times bestselling author John Douglas explores the shocking case of John Robinson, a harmless unassuming family man whose criminal history began with embezzlement and fraud and ended with his arrest for the savage murders of six women and his suspected involvement in at least five disappearances. Most disturbing was the hunting ground in which Robinson seduced his prey: the world of cyberspace. Haunting chat rooms targeting vulnerable women and exploiting the anonymity of the Internet, his bloody spree was finally halted by a relentless parole officer who spent ten years trying to nail Robinson as a cold-blooded killer. A cautionary tale set in a virtual world where relationships are established without the benefit of physical contact, **ANYONE YOU WANT ME TO BE** is a contemporary real life drama of high tech crime and punishment.

Inside the Mind of BTK John Douglas, Johnny Dodd, 2008-11-03

The FBI profiler co-author of the #1 New York Times bestseller *Mindhunter* recounts his role in catching one of America's most notorious serial killers. *Inside the Mind of BTK* tells the incredible true story of how FBI profiler John Douglas tracked and participated in the hunt for one of the most notorious serial killers in US history. For thirty-one years, a man who called himself BTK (Bind Torture Kill) terrorized the city of Wichita, Kansas, sexually assaulting and strangling a series of victims, taunting the police with cryptic communications and bragging about his vicious crimes to local newspapers and television stations. After disappearing for nine years, he suddenly reappeared, complaining that no one was paying enough attention to him and claiming that he had committed other crimes for which he had not been given credit. When he was finally captured, BTK was revealed to be Dennis Rader, a sixty-one-year-old churchgoing married man with two children. As a leading serial killer profiler for the FBI, John Douglas was first called to consult about the case in 1980 and remained involved with the story and all of its principal players.

up to the arrest and prosecution After Rader was arrested Douglas was granted both an exclusive interview with the killer after his sentencing as well as access to friends family and police In this page turning book Douglas reveals both new information and insight into why Rader did what he did why he stopped for a mysterious nine year period and his current psychological state in custody Praise for Inside the Mind of BTK Legendary profiler and bestselling author Douglas Mindhunter who pioneered the FBI s systematic study of serial killers offers his insights into one of this country s most chilling killers Dennis Rader a seemingly innocuous family man and municipal employee whose brutal murders terrorized Wichita Kans for three decades While the stomach turning story of BTK s crimes has been told by others Douglas s unique professional experience and his exclusive personal access to Rader offers a different perspective even as the answer to the question of how such a monster comes to be remains elusive Publishers Weekly Riveting Douglas and Dodd have focused a laser sight on one of the most fascinating and disturbing serial killers of our time Their in depth analysis of BTK s early childhood his seemingly normal everyday life and his shockingly well hidden other life deftly explores the nature of evil and how we can better protect ourselves from such cunning predators Lisa Gardner New York Times bestselling suspense author of Hide
