**The Royal Alphas (Books 1-3)** J.J. Masters, Jeanne St. James, 2023-10-14 THE SELKIE PRINCE S FATED MATE book 1 A Selkie prince forced to produce an heir An omega destined to become a royal s fated mate Prince Kai s life as he knows it is now over As the firstborn alpha to the Selkie King of the North he s required to produce an heir Whether he wants to or not When the Selkie Seekers finally present his fated mate he dreads being tied to this stranger for the rest of his life He can only hope his omega will be easy on the eyes and somewhat intelligent Raised in a family of good breeding Luca always knew it was possible he d end up the mate for an alpha of nobility Only to whom he never knew Every time the Seekers summoned him for the humiliating presentation ceremony to royalty of all levels he feared being stuck with some unbearable abusive or very unattractive alpha As an omega he doesn t have the choice to say no Not only is it his obligation it s the law If he refuses he and his family would become outcasts and banished from the Selkie community However as soon as Kai enters the Great Hall of the North it s clear that the handsome prince is his alpha Luca s pleased with the choice the fates made until the king demands that not only he become pregnant within six months but produce an alpha pup with his son otherwise he ll be cast

aside And getting pregnant might be a problem THE SELKIE PRINCE HIS OMEGA GUARD book 2 An alpha prince ready to find his fated mate A Selkie who wishes he wasn't omega born Unlike his brothers Prince Adrian the dutiful second born son to the King of the North looks forward to finding his true mate and producing an heir Until he stumbles across a beta guard with an enticing scent Del never wanted to be an omega All his life he's only wanted one thing to serve as a Royal Guard Though forbidden he found a concoction to mask his omega scent and was successful until his dwindling supply caused the alpha prince to discover his deception Rian not only breaks every cherished royal tradition but ends up hiding Del until he can figure out the reason for the attraction between them However one selfish mistake puts them in a precarious position they can't escape Their reckless actions have them worried they'll be banished from the Selkie community Rian needs a plan to convince his father to accept his mate before he has to risk everything he's ever known and loved for their future Because no matter what the king says Rian will not give up Del THE SELKIE PRINCE'S UNEXPECTED OMEGA book 3 An alpha claim A possible heir A Selkie prince whose mistake might just be what the fates intended Zale the third alpha born son of King Solomon is concerned His youngest brother Caol has been spending time with an unbonded omega Being a responsible alpha Zale feels it's his duty to warn the omega Finn before he and Caol get into trouble Especially since Finn had only been brought to the colony by their father in case his oldest brother's fated mate couldn't conceive However when Zale goes to Finn's quarters to have a word with him he isn't expecting to discover what he does the omega in the throes of oestrus and begging for an alpha's assistance Finn has nowhere else to go Not only unwanted by his own family his previous alpha perished in a tragic accident So for the past two years the omega has relied on the King of the North's generosity even if it means he may end up as a surrogate for one of the alpha born princes Or even worse the king's sixth mate But when the Prince Zale comes upon him during his heat Finn demands relief from the alpha Although afterward has to live with the guilt Now he might not only be carrying the prince's son he may have very well ruined Zale's chance to find his true fated mate Note This collection includes m/m shifter mpreg stories Due to the knotty times in these books they're recommended for mature readers only While they can be read as standalones it's recommended to read the series in order And like all of my books each has an HEA
