Mobile Community Reporting A Grassroots Prespective On Journalism:

Mobile Community Reporting Olivier Nyirubugara, 2014 Almost everyone in Africa knows a mobile phone the most widespread communication technology on the continent That technology started as a voice only tool before integrating other functions such as messaging sound and image recording and many others This book is about ways in which some of those new functions are giving a new face to the field and practice of journalism That field has for long been dominated by professionally trained journalists but the trend set in motion by the arrival of the World Wide Web and the mobile phone among other technologies is that ordinary people including members of local communities in marginalised areas are increasingly doing journalism In this book the author presents what he calls the Mobile Community Reporting approach based on a six year training experiment in which he was involved as trainer and coach in eight African countries The main argument underlying the MCR approach is the following if a member of the community covers news using a reporting tool that is familiar to that community and taking into account the values interests and worldviews of that community chances of capturing what the community thinks are very high

The Democracy Distraction: How Phones Hijack Public Attention—and the Path Back to Civic Power Stephanie Price M.W., 2025-09-09 Every time we reach for our phones something bigger is lost our ability to focus on the issues that shape society The Democracy Distraction explores how smartphones notifications and endless scrolling undermine political engagement eroding the focus required for meaningful debate and collective action Written in a clear and professional style tailored for students and emerging thinkers this book unpacks the hidden costs of digital distraction on democracy It reveals how fragmented attention reshapes public priorities weakens civic participation and leaves important policy conversations drowned out by viral noise Yet this isn't just critique it's a guide to solutions By understanding the forces competing for our attention we can reclaim focus restore informed debate and strengthen democratic engagement in an age of distraction If you're ready to see beyond the screen and rediscover the civic power of focus this book offers the clarity and direction you've been searching for

How Wide are the Ripples? , 2011 Citizen Journalism Stuart Allan, Einar Thorsen, 2009 Citizen Journalism Global Perspectives examines the spontaneous actions of ordinary people caught up in extraordinary events and compelled to adopt the role of a news reporter This collection of twenty one chapters investigates citizen journalism in the West including the United States United Kingdom Europe and Australia as well as its development in other national contexts around the globe including Brazil China India Iran Iraq Kenya Palestine South Korea Vietnam and even Antarctica Its aim is to assess the contribution of citizen journalism to crisis reporting and to encourage new forms of dialogue and debate about how it may be improved in the future The book contains contributions by Mark Deuze about The Future of Citizen Journalism and Paul Bradshaw about Wiki Journalism

Resources in Education , 1983 *Contemporary Editing* Cecilia Friend, Don Challenger, 2013-10-15 Contemporary Editing offers journalism students a forward looking introduction to news editing providing instruction on traditional

newsroom conventions along with a focus on emerging news platforms This comprehensive text provides students with a strong understanding of everything an editor does addressing essential copy editing fundamentals such as grammar and style editorial decision making photo editing information graphics and page design and new media approaches to storytelling Throughout the book focuses on how the editor s attitude a keen awareness of news values ethics and audience comes into play in all facets of news editing This new edition offers expanded coverage of web publishing and mobile media giving students solid editing skills for today s evolving media and news forums Features of the Third Edition Editing 2 0 boxes discuss the impact of digital technology and social media on editing Coverage of grammar problems and a new chapter on working with numbers provide students with a strong grasp of math and grammar which are the underpinnings for all writing and editing An emphasis on editing for brevity prepares students to write and edit clearly and briefly for print and for the web A chapter on the art of headline writing guides students through one of the editor s most important tasks and introduces the task of search engine optimization Examples of ethics and legal situations show students how issues arise in even the most basic stories and how to address them Online exercises present additional practice for students without needing to purchase a workbook
