Death in Bacton Wood Ross Greenwood,2024-05-03 Ross Greenwood doesn't write clichés What he has written here is a fast paced action filled puzzle with believable characters that's spiced with a lot of humour Kath Middleton A family's secrets lie buried The time has come to uncover the truth When a mud splattered man staggers from Bacton Wood with a terrifying tale about being buried alive DS Ashley Knight and her team are called in to investigate Soon another victim is found and more men are missing all with connections to the well known Vialli family The Major Investigation Team find themselves attempting to untangle a case that stretches from Eastern Europe through to North Norfolk Along with rookie detective the whip smart Hector Fade Ashley is in a race against time trying to help a family who seem determined to take matters into their own hands And when Ashley suspects there is a department rat the stakes get even higher As the evidence continues to point in different directions and as new victims are uncovered thick and fast Ashley and Hector begin to fear they have finally met their match in a killer too ruthless and clever to be caught Bestselling Ross Greenwood is back with a breath taking page turning thriller perfect for fans of Mark Billingham Ian Rankin and Peter James Praise for Ross Greenwood Move over Rebus and Morse a new entry has joined the list of great crime investigators in the form of Detective Inspector John Barton A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist Richard Burke Ross Greenwood is great at the twist I know you're going to scream at me for using the twist you didn't see coming but I really didn't Reader Review The only thing I can say that was a disappointment about reading this book is that I somehow missed the first one in the series What a cracking read I'm now off to find book 1 Reader Review This is a cracking good thriller that pulls you this way and that and keeps you guessing I've always loved everything that I have read by Ross Greenwood and this book is no exception Reader Review This was brilliant So much going on throughout the book it was hard to keep up but so captivating till the end Great story characters Loved it Reader Review This was an incredibly well plotted adrenaline race of a thriller The plotting was amazing so many different threads all wound together and when the author pulled on them the result was just a beautiful bow of an ending with no tangles left to unpick until the next time Reader Review

 up a business will be interested in the shOp equipment chapter A generous number of cuts explain in detail the tools and the
 operations The material contained in this book represents only the most approved methods of tire repairing Methods
