Journey Of Faith A Bridge Between God And Man:

Journey of Faith Richard A. Money, 2013-06-14 The Journey of Faith is a tale of his spiritual and physical journey and events that he encountered as a renegade priest with some viewpoints and observations of religion and history Hopefully the reader will gain some insight into the world of spirituality for the years to come and will be motivated to have a closer connection to God and not to religion as such There are many questions asked but the answers are up to the reader Richard Money doesn't expect Journey of Faith to be a record breaking novel In fact the only reason it is being written is because so many people have told Richard over the years that he has a book in him When is he going to get it out Well here it comes for better or for worse Journey of Faith is comprised of many incidents in his life that he believes may show not what he has done but what he has become with the Grace of God If you are looking for a religious experience we don't think you will find it here although you may We are not making any promises Journey of Faith will stimulate the mind to see the real messages of Jesus What makes this book unique is the ingredients of life and the events of a married priest after being married and the training of priests of sixty years ago If you are seeking the meaning of life and the working of the Holy Spirit this book will truly bring light into your life All people seeking the Holy Spirit in their lives this is for you Not only the religious but those on the fence as it were who may doubt the workings of God in their lives This book is to be a bridge between God and Man and to see the manifestations of God in our lives This is our life in the Journey of Faith JOURNEY OF FAITH RICHARD A. journey with me This is a recent time where I took time to journal my prayers and think solely about the goodness of God If you love God you will appreciate the recent journey of discovery This book is not just for those who believe in God but a challenge for those who do not Take a journey with me and lets see if God measures up *The Irony of Barack Obama* R. Ward Holder, Peter B. Josephson, 2016-03-09 Drawing on the political theology of Reinhold Niebuhr described by Barack Obama as one of my favourite philosophers this book assesses the challenges facing the President during his first term It evaluates his success in adhering to Niebuhr s path of Christian realism when faced with the pragmatic demands of domestic and foreign affairs In 2008 Candidate Obama used the ideas of Hope and Change to inspire voters and secure the presidency Obama promised change not only regarding America s policies but even more fundamentally in the nation s political culture Holder and Josephson describe the foundations of President Obama s Christian faith and the extent to which it has shaped his approach to politics Their book explores Obama s journey of faith in the context of a broadly Augustinian understanding of faith and politics examines the tensions between Christian realism and pragmatic progressivism explains why a Christian realist interpretation is essential to understanding Obama s presidency and applies this model of understanding to considerations of foreign and domestic policy By combining this theological and political analysis the book offers a special opportunity to reflect on the relationship between Christian faith and statesmanship reflections that are missing from current popular discussions of the Obama presidency Through consideration of Niebuhr s models of the prophet and the statesman and the more popular alternative of the political evangelist Holder and Josephson are better able to explain the president s successes and his failures and to unveil the Augustinian limits of the political life

Called to Be! Daniel O. Hudson Sr., 2020-02-12 Today many believers have retreated into their comfort zones and are waiting for Christ there They feel that their salvation is there ticket into heaven and that is all that is required To be holy is not something you put on to go to church or to be charitable to those who are less fortunate than you To be holy starts at home it is how your house is run It is giving God reverence from the time you awake to the time you lay your head down for the night It s how you raise your children how you conduct your marriage and how your love and attitude affect others To be holy is more than being set apart it s an ever growing lifestyle that changes you from the inside out It s not a board or committee you are a part of It s not where you sit in church or who you associate with God is much higher than these things We must go where he is to a higher place in our thinking our loving others and our preparation to serve him
