From Village to Presidential Suite Joseph Jabbra, 2022-03-22 I did not intend to write a scholarly book for I did not want to intellectualize my life Nor did I wish to romanticize it I wanted to describe it as I lived it with emphasis on people I wanted to express in this book the joy I experienced in giving generously of myself my time and my modest material possessions to make others happy and to share the many gifts of life I wanted also to share with those who aspire to become academic leaders the myriad lessons my

upbringing education and professional life have taught me I thought they might find these lessons learned useful as they strive for successful careers and more importantly for rewarding personal and professional lives Again this book is a story the story of my life wherein the personal and the professional have intermingled and strengthened each other making a better whole of my person personality aspirations and talents This unique alliance between the professional and the personal dimensions of my life I am happy to say always triumphed and accounted for the successes that so many good people helped me achieve Without the guidance advice cooperation and support of others I am sure my life would not have been as fulfilling Dr Jabbra did govern this impossible republic delivering transformative change to LAU in the process Dr Jabbra restored our mission Philip Stoltzfus Chairman LAU Board of Trustees How does one know one has lived a full life This is a question that preoccupies all of us at one time or another but at a simple level we can say through the evidence of our actions and our relationships with others The pages of this memoir bear witness to Dr Jabbra s achievements from his successful terms as Provost at St Mary s and Loyola Marymount to his crowning moment as President of LAU But much of the magic of this book lies in its descriptions of his friendships and interactions throughout his life from the early days in his family village of al Firzul to his school experiences at Harissa and St Joseph and the eventual passage to the United States armed with Arabic French Latin and Greek but no English Then on to his life in America and Canada and the rich relationships he formed with so many in that extraordinary phenomenon that is the Lebanese diaspora After seeing an early draft of this memoir I urged Dr Jabbra to relate the day to day experiences he had in running LAU in the semichaotic atmosphere that prevails even in the best of times in Lebanon I knew how vivid some of these moments were having shared many with him and he has captured that time beautifully although I wish he had included a particularly hairy moment he and I once had from which we were fortunate to emerge unscathed Philip Stoltzfus Chairman LAU Board of Trustees September 2021 My tamed ego was my friend and not my enemy my wise advisor but not my dictator Forgiveness instead of retaliation was my motto Integrity and the highest ethical standards defeated hands down my detractors at the governing boards of any institution I served My leveling with people working together with them and my honesty were invincible weapons and very difficult to resist or defeat The realization on the part of the three university families I served in Canada the United States and Lebanon that I had a unique combination of genuine caring for people and a will of steel to defend the institution I was working for against any abuse won me the people s respect not their fear their genuine affection and trust And this is something that I will cherish for the rest of my life My transformative tenures at SMU LMU and LAU were strengthened by their remarkable families They believed in the mission of their respective universities they pulled ranks together and together they transformed them from ordinary colleges to major forces in higher education and they did it with indomitable drive exemplary grace unique pride and contagious passion Dr Joseph Jabbra From Village to Presidential Suite My Life s Journey 2022 pg 687 In Conclusions and Lessons learned Beirut Hachette Antoine *Guided Inquiry Design® in Action* Leslie K.

drawn from more than 40 years of experience in Model UN competitions Chapter 7 is a short treatise that breaks down the controversial rules of dress code demystifying the all too common issues resulting from teenagers attempting to dress professionally In chapter 8 the fine art of writing position papers and resolutions is presented using persuasive writing techniques not normally taught in an English classroom Chapter 9 is the only full discussion of Crisis Committees that can be found printed Eugene and Anthony s high school delegates were extremely successful in these high caliber fiercely competitive situations Every delegate wishes for a strong introduction to a crisis committee but usually ends up being chewed up and demoralized in their first experience This book sets up a framework for preventing such an event The tenth chapter gives a strong set of tools for developing relationships with other students using the flexible rules of social engineering This material is not for the beginner and holds severe social consequences if used improperly Keeping ahead of the times there is a full chapter on creating a FREE wordpress website for a MUN club s management platform It demonstrates how to integrate it with an existing facebook group and twitter account maximizing your club s exposure and social media footprint Finally the appendices include empirical recipes for research the full protocol of parliamentary procedures and a discussion of management techniques for advisors Model UN is the most difficult liberal arts academic club in high school and the skills that can be learned through Model UN are useful in the broader context of negotiation social parlance interviewing and even collaborative productivity It should be noted that some of the most successful people in media business and leadership have experience competing in Model United Nations It is one of a few activities that offer full character development along with a global education This book is by far the best primer on this academic a **Journal of Education** ,1888 *Resources in Education* ,1991-04 Computerworld ,1992-05-18 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network *Masters Abstracts International* ,1994 **The National Live-stock Journal** ,1884 The Sunday-school Times ,1890 The Epworth Herald ,1891 Impact ,1974 Computerworld ,1995-06-05 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network *United Methodist* ,1903 **Southern Lumberman ...** ,1920 **National Live Stock Journal** ,1884
