Joe The Hotel Boy Illustrated English Edition:

Joe the Hotel Boy (Illustrated) Horatio Alger, 2014-03-18 Horatio Alger Jr January 13 1832 July 18 1899 was a prolific 19th century American author best known for his many juvenile novels about impoverished boys and their rise from humble backgrounds to lives of middle class security and comfort through hard work determination courage and honesty His writings were characterized by the rags to riches narrative which had a formative effect on America during the Gilded Age Alger s name is often invoked incorrectly as though he himself rose from rags to riches but that arc applied to his characters not to the author Essentially all of Alger s novels share the same theme a young boy struggles through hard work to escape poverty Critics however are quick to point out that it is not the hard work itself that rescues the boy from his fate but rather some extraordinary act of bravery or honesty which brings him into contact with a wealthy elder gentleman who takes the boy in as a ward
