

Rollators

McKesson rollators are ideal when arm strength is limited. Rollators, unlike standard walkers, do not require users to lift the unit with each step and they also include brakes to maintain control. With convenient storage and seating, our rollators allow users to transport personal items without requiring the use of hands and provide the ability for users to sit or rest. Choose McKesson's rollators as a mobility solution for the enhanced maneuverability across various terrain that will keep users moving smoothly and safely.
