With the NEP and expansion of research and knowledge has changed the face of education to a great extent. In the Modern times education is not just constricted to the lecture method but also includes a practical knowledge of certain subjects. This way of education helps a student to grasp the basic concepts and principles. Thus trying to break the stereotype that subjects like Mathematics and Science means studying lengthy formulas, complex structures and handling complicated instruments, we are trying to make education easy, fun and enjoyable.
