## There are four different types of bullying:

### Physical

Physical bullying involves using force or objects to harm or threaten someone. This can include hitting, kicking, or using weapons. It can also include taking someone's belongings or damaging their property.

### Verbal

Verbal bullying involves using words to harm or threaten someone. This can include name-calling, teasing, or making threats. It can also include spreading rumors or talking badly about someone.

### Emotional

Emotional bullying involves using psychological tactics to harm or threaten someone. This can include making someone feel self-conscious or embarrassed. It can also include making someone feel like they are not good enough.

### Cyber

Cyber bullying involves using technology to harm or threaten someone. This can include sending mean messages or posting embarrassing photos online. It can also include using social media to spread rumors or make threats.

**Survival Guide for the Junior High/middle School Mathematics Teacher** Gregory R. Baur, Darleen Pigford, 1984

English Teachers Survival Guide Mary Lou Brandvik, 1994-03-04 For both new and experienced English teachers grades 7-12 here is a unique time saver and problem solver packed with tested techniques and materials to assist you in virtually every aspect of your job from dealing with discipline problems and handling paperwork to teaching the writing process. Included are 175 easy to use strategies, lessons and checklists for effective classroom management and over 50 reproducible samples that you can adopt immediately for planning, evaluation or assignments. The Guide helps you create a classroom that reflects the excitement for learning that every English teacher desires. It will also show you how to practice the art of teaching English effectively and leave labor intensive ways behind by devising a fair grading system, creating a positive design for discipline, delegating tasks to students that can become learning experiences for them and time savers for you, arranging the room for efficient classroom management and more. In addition to scores of specific ideas for writing and reading activities, the Guide includes Techniques for integrating the teaching of speaking, listening, writing and literature. A plan for managing and monitoring cooperative learning activities, from determining group size to evaluating group work and grading projects. Steps for creating a master plan, individual units and daily lessons with guidance on team teaching and Advice on how to reach the learning disabled students who are mainstreamed into your classroom. With this resource you will gain the perspective of a master teacher in working with students as well as others, parents, colleagues, substitute teachers, administrators and community resources and regain or maintain the idealism that originally caused you to become a teacher.
