Subject List of Works on the Textile Industries and Wearing Apparel Including the Culture and Chemical Technology of the Textile Fibres in the Library of the Patent Office Great Britain. Patent Office. Library,1919 **The Art of Measuring** W. D. F. Vincent,2025-09-15 While true craftsmanship lies in skill and care a well made garment begins with something far simpler accurate measurements Many who take on the task of tailoring have received little formal guidance in this essential step This brief work is written to assist them We assume the customer is at hand and focus on the next crucial task understanding exactly what he wants Much of a cutter s success depends on this Misunderstanding the customer leads to mistakes in measuring cutting and ultimately in the finished garment Clear communication aided by visual tools like the Tailor and Cutter fashion plates helps both cutter and client These references not only guide style choices but also help ensure that the final result matches the client s expectations Finally whether recorded by a clerk or the cutter himself each measurement should be repeated aloud a small habit that avoids large errors May this guide serve those who aim to combine precision with elegance in their craft **Tailor and Cutter** ,1914 **Cutting for All!** Kevin L.
