*A Cook's Table* Jan Jorgensen, Todd Wernstrom, 2024-11-08 This cookbook will not be like most other cookbooks And when we write this we re not claiming that we have reinvented the genre one that has not really changed all that much other than in presentation over the centuries Our book is not organized by the seasons It is not pegged to certain proteins the cuisine of a specific country or cooking techniques be they primal or avant garde Instead we have organized this book around a handful of the most commercially important and recognizable grapes The recipes in each chapter are conceived so as to complement one of that grape s resultant styles of a finished wine This is not the first cookbook to double down on the importance of a dish and a wine complementing each other However we think it goes further on the subject without getting bogged down by theory formulas and rules and the invariable exceptions to them in a very commonsense and straightforward way We have all come a long way from white with fish and red with meat Jan has often said that he ll figure out what to cook and how to cook it based upon what he is in the mood to drink and vice versa That very unfussy sort of weeknight ethos is present throughout these pages The recipes aren t designed to elicit oohs and aahs or impress by employing the newest technology or technique the words sous vide air fryer and even tweezers will not show up in them Instead there are dozens of recipes some simple some less so that hew to traditions that in some cases date back hundreds of years or borne of necessity or by chance Many others are grounded in Jan s background in professional kitchens including his own in Miami Two Chefs Savor Arizona Cookbook Chuck Johnson, Blanche Johnson, 2006-09 Wilderness Adventures Savor Arizona reveals recipes from chefs at acclaimed restaurants in the region **Sierra Mar Cookbook** Craig Von Foerster, 2006 From the prestigious Sierra Mar Restaurant at the Post Ranch Inn comes an exquisite cookbook that captures the romance and mystique of this historic place Flavorful California cuisine meets classic French and Mediterranean fare in the adventuresome kitchen of Executive Chef Craig vonFoerster Sierra Mar shares unique and irresistible recipes for all seasons with a focus on fresh ingredients and creativity for appetizers soups salads entrees and desserts Also included are personal notes and wine pairings from respected Sierra Mar sommelier Dominique DaCruz It's about Time Michael Schlow, 2005 A collection of never fail recipes features more than one hundred and fifty varied dishes ranging from quick and easy thirty minute meals and summer barbeques to elegant entertaining *Fresh & Local* Flinn, Craig, 2008-10-15 Celebrate the seasons with 150 recipes featuring fresh and local ingredients *Home Plate* Brenda Berstler, 2007-06 This book is a handbook of the Cooperstown viciniy offering three dimensional insights to restaurants accommodations attractions baseball celebrities local farmers and food purveyors All are paired with a favorite recipe using New York ingredients p vii **Risotto Risotti** Judith Barrett, 1996 Judith Barret offers more than 100 new recipes for risotto showcasing the flavors of not just Italy but Asia India and Latin America Following a reference guide to risotto and risotto techniques Risotto Risotti includes chapters on broths vegetable risotti seafood and fish risotti meat risotti low fat risotti risotto cakes riceless risotti and dessert risotti **Professional Cooking, College Version**
