F. TODD SMITH

Louisiana And The Gulf South Frontier 1500 1821

Robert D Bush

Louisiana And The Gulf South Frontier 1500 1821:

Louisiana and the Gulf South Frontier, 1500-1821 F. Todd Smith, 2014-11-17 Bound together by social demographic and economic commonalities the territory extending from East Texas to West Florida occupies a unique space in early American history A masterful synthesis of two decades of scholarly work F Todd Smith s *Louisiana and the Gulf South Frontier 1500 1821* examines the region s history from the eve of European colonization to the final imposition of American hegemony The agricultural richness of the Gulf Coast gave rise to an extraordinarily diverse society development of food crops rendered local indigenous groups wealthier and more powerful than their counterparts in New England and the West and white demand for plantation slave labor produced a disproportionately large black population compared to other parts of the country European settlers were a heterogeneous mix as well creating a multinational blend of cultures and religions that did not exist on the largely Anglo Protestant Atlantic Coast Because of this diversity which allowed no single group to gain primacy over the rest Smith s study characterizes the Gulf South as a frontier from the sixteenth century to the early years of the nineteenth Only in the twenty years following the Louisiana Purchase did Americans manage to remove most of the Indian tribes overwhelm Louisiana s French Creoles numerically and politically and impose a racial system in accordance with the rest of the Deep South Moving fluently across the boundaries of colonial possessions and state lines *Louisiana and the Gulf South Frontier 1500 1821* is a comprehensive and highly readable overview of the Gulf Coast s distinctive and enthralling history

El Norte Carrie Gibson, 2022-03-30 A sweeping saga of the Spanish history and influence in North America over five centuries from the acclaimed author of *Empire s Crossroads* Because of our shared English language as well as the celebrated origin tales of the Mayflower and the rebellion of the British colonies the United States has prized its Anglo heritage above all others However as Carrie Gibson explains with great depth and clarity in *El Norte* the nation has much older Spanish roots ones that have long been unacknowledged or marginalized The Hispanic past of the United States predates the arrival of the Pilgrims by a century and has been every bit as important in shaping the nation as it exists today *El Norte* chronicles the dramatic history of Hispanic North America from the arrival of the Spanish in the early 16th century to the present from Ponce de Leon s initial landing in Florida in 1513 to Spanish control of the vast Louisiana territory in 1762 to the Mexican American War in 1846 and up to the more recent tragedy of post hurricane Puerto Rico and the ongoing border acrimony with Mexico Interwoven in this narrative of events and people are cultural issues that have been there from the start but which are unresolved to this day language belonging community race and nationality Seeing them play out over centuries provides vital perspective at a time when it is urgently needed In 1883 Walt Whitman meditated on his country s Spanish past We Americans have yet to really learn our own antecedents and sort them to unify them predicting that to that composite American identity of the future Spanish character will supply some of the most needed parts That future is here and *El Norte* a stirring and eventful history in its own right will make a powerful impact on our national understanding This

history debunks the myth of American exceptionalism by revisiting a past that is not British and Protestant but Hispanic and Catholic Gibson begins with the arrival of Spaniards in La Florida in 1513 discusses Mexico's ceding of territory to the U S in 1848 and concludes with Trump's nativist fixations Along the way she explains how California came to be named after a fictional island in a book by a Castilian Renaissance writer and asks why we ignore a chapter of our history that began long before the Pilgrims arrived At a time when the building of walls occupies so much attention Gibson makes a case for the blurring of boundaries New Yorker A sweeping and accessible survey of the Hispanic history of the U S that illuminates the integral impact of the Spanish and their descendants on the U S's social and cultural development This unusual and insightful work provides a welcome and thought provoking angle on the country's history and should be widely appreciated Publishers Weekly starred review PW Pick

Surveying the Early Republic Robert D Bush, 2016-10-05 In *Surveying the Early Republic* Robert D Bush contextualizes the firsthand account of Andrew Ellicott the United States Boundary Commissioner appointed by President George Washington in 1796 Ellicott and his Spanish counterparts established the boundary line between the United States and Spanish territory in North America after the United States and Spain signed the Treaty of San Lorenzo opening the door to navigation of the Mississippi River and the export of American goods from the Spanish held port of New Orleans Over the course of this multiyear surveying project 1796-1800 Ellicott found himself entangled in the politics of these frontier lands including an insurrection by inhabitants who favored the United States against the existing Spanish regime He also reported to his superiors on various rumors plots and political intrigues as well as on the secret activities of individuals in the pay of Spain including U S Army General James Wilkinson Regrettably the widespread acclaim that followed the publication of Ellicott's journal in 1803 a year prior to the commencement of Lewis and Clark's expedition faded over time In this first edited and annotated version of that journal Bush illuminates the commissioner's day to day narrative of events in what later became the Mississippi Territory and thus deepens our understanding of early American expansionism In addition Ellicott's accounts of personalities plots counter plots and Indian affairs depict with unparalleled clarity the tumultuous diplomatic experiences faced by President John Adams's administration as it pushed the bounds of America's frontier Bush's deft treatment of this valuable primary source provides a critical contribution to the study of the history of early America

Tejano Patriot Art Martínez de Vara, 2020-05-01 Art Martínez de Vara's *Tejano Patriot* The Revolutionary Life of José Francisco Ruiz 1783-1840 is the first full length biography of this important figure in Texas history Best known as one of two Texas born signers of the Texas Declaration of Independence Ruiz's significance extends far beyond that single event Born in San Antonio de Béxar into an upwardly mobile family during the war for Mexican independence Ruiz underwent a dramatic transformation from a conservative royalist to one of the staunchest liberals of his era Steeped in the Spanish American liberal tradition his revolutionary activity included participating in three uprisings suppressing two others and enduring extreme personal sacrifice for the liberal republican

cause He was widely respected as an intermediary between Tejanos and American Indians especially the Comanches As a diplomat he negotiated nearly a dozen peace treaties for Spain Mexico and the Republic of Texas and he traveled to the Imperial Court of Mexico as an agent of the Comanches to secure peace on the northern frontier When Anglo settlers came by the thousands to Texas after 1820 he continued to be a cultural intermediary forging a friendship with Stephen F Austin but he always put the interests of B xar and his fellow Tejanos first Ruiz had a notable career as a military leader diplomat revolutionary educator attorney arms dealer author ethnographer politician Indian agent Texas ranger city attorney and Texas senator He was a central figure in the saga that shaped Texas from a remote borderland on New Spain s northern frontier to an independent republic

Colonial Mississippi Christian Pinnen, Charles Weeks, 2021-03-02 *Colonial Mississippi* A Borrowed Land offers the first composite of histories from the entire colonial period in the land now called Mississippi Christian Pinnen and Charles Weeks reveal stories spanning over three hundred years and featuring a diverse array of individuals and peoples from America Europe and Africa The authors focus on the encounters among these peoples good and bad and the lasting impacts on the region The eighteenth century receives much deserved attention from Pinnen and Weeks as they focus on the trials and tribulations of Mississippi as a colony especially along the Gulf Coast and in the Natchez country The authors tell the story of a land borrowed from its original inhabitants and never returned They make clear how a remarkable diversity characterized the state throughout its early history Early encounters and initial contacts involved primarily Native Americans and Spaniards in the first half of the sixteenth century following the expeditions of Columbus and others to the large region of the Gulf of Mexico More sustained interaction began with the arrival of the French to the region and the establishment of a French post on Biloxi Bay at the end of the seventeenth century Such exchanges continued through the eighteenth century with the British and then again the Spanish until the creation of the territory of Mississippi in 1798 and then two states Mississippi in 1817 and Alabama in 1819 Though readers may know the bare bones of this history the dates and names this is the first book to reveal the complexity of the story in full to dig deep into a varied and complicated tale

The Writers Directory ,2013 *The World's History: Pre-history. America and the Pacific ocean* Hans Ferdinand Helmolt, 1901 An English adaptation of Helmolt s *Weltgeschichte* with a rejection of sections which did not seem quite adequate from the point of view of its English readers Publisher s note The History of the World Hans Ferdinand Helmolt (1865- ed), 1901 *A Military Dictionary and Gazetteer* Thomas Wilhelm, 1881 **Battles of the Nineteenth Century** Archibald Forbes, 1897 America, History and Life ,1996 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide
