further the academic debate of time and temporality in organizations studies *Changing Change Management* Darren McCabe, 2020-01-03 The literature on Change Management works from the premise that management possesses the power to achieve change and this is evident in that resistance is little more than a footnote in most textbooks This assumption sits uneasily however with the high failure rate of Change Management interventions This book seeks to explain this paradox by providing a critical relational approach towards Change Management What would a book on Change Management look like that takes resistance seriously This book attempts precisely this by exploring how resistance is as much a part of change as the strategies of those that seek to enact it The findings are drawn from a qualitative study of organizational transformation in a Local Government Authority in the UK Its detailed empirical insights enable readers to explore organizational change from many different perspectives considering issues such as the strategic use of metaphor and counter metaphors management and employee resistance organizational politics and cynicism It will be of interest to researchers academics and students interested in change management organizational studies human resource management and critical management studies **The Handbook of Public Sector Communication** Vilma Luoma-aho, María José Canel, 2020-02-03 A multidisciplinary collection on global public entity strategic communication Research into public sector communication investigates the interaction between public and governmental entities and citizens within their sphere of influence Today's public sector organizations are operating in environments where people receive their information from multiple sources Although modern research demonstrates the immense impact public entities have on democracy and societal welfare communication in this context is often overlooked Public sector organizations need to develop communicative intelligence in balancing their institutional agendas and aims of public engagement The Handbook of Public Sector Communication is the first comprehensive volume to explore the field This timely innovative volume examines the societal role environment goals practices and development of public sector strategic communication International in scope this handbook describes and analyzes the contexts policies issues and questions that shape public sector communication An interdisciplinary team of leading experts discusses diverse subjects of rising importance to public sector government and political communication Topics include social exchange relationships crisis communication citizen expectations measuring and evaluating media diversity and inclusion and more Providing current research and global perspectives this important resource Addresses the questions public sector communicators face today Summarizes the current state of public sector communication worldwide Clarifies contemporary trends and practices including mediatization citizen engagement and change and expectation management Addresses global challenges and crises such as corruption and bureaucratic roadblocks Provides a framework for measuring communication effectiveness Requiring minimal prior knowledge of the field The Handbook of Public Sector Communication is a valuable tool for academics students and practitioners in areas of public administration public management political communication strategic and organizational communication and related fields such as political science

sociology marketing journalism and globalization studies *Transformational HRM Practices for Hong Kong* Anna P. Y. Tsui, Wilfred K. P. Wong, 2020-10-20 Focusing on the latest management trends *Transformational HRM Practices for Hong Kong* provides HR professionals with a comprehensive and accessible guide to human resource management in Hong Kong. Written by a leading team of HR professionals, psychologists, legal experts, and academics, the book provides up-to-date coverage of current practices, laws, and procedures, as well as guidance on the professional skills required to operate successfully in the region. Suitable for practitioners and students alike, the book contains authentic case studies for local context and sets out the latest strategies for talent acquisition, assessment, performance, and reward. It provides essential coverage of organizational change, management, recent technological advancements in the field, and outlines the development of Hong Kong's employment laws and their likely implications for professionals. In one volume, this book provides the key information, guidance, and context HR professionals require to be successful in Hong Kong's fast-changing business environment. This book is the product of the collective wisdom of a team of well-qualified and experienced contributors. It successfully integrates both theory and practice with a lot of real-life cases and examples. It provides a valuable and up-to-date tool to support teachers, students, and practitioners in the new HR era. Irene Chow, Professor and Head, Department of Management, Hang Seng University of Hong Kong. This is a timely and accessible collection on the HRM development in Hong Kong for business managers and aspiring HRM students. It explains succinctly the fundamental and drastic changes in the traditional HR sector in Hong Kong. Reading this book makes me realize how much HRM has been transformed since the internet era. Steven Lui, Associate Professor, School of Management, UNSW Business School, UNSW Sydney. Each chapter of this book marks a specific HR topic with comprehensive deliberations on the transformation. It integrates both empirical studies as well as discussions of evolving HR practices. A unique reference that helps readers apprehend the drastic challenges in HR management from traditional to digital. David Li, F.I.H.R.M. HK, Director, Human Resources, New Beta Innovation Limited, President, Hong Kong Institute of Human Resource Management, HKIHRM 2014-2018. The role of human resources management has been evolving over the years. This book focuses on contemporary HR topics within the Hong Kong context. It provides the reader with invaluable insights from seasoned practitioners, consultants, and well-respected academics. I would recommend this book to HR professionals, line managers, and aspiring HR students. Margaret Cheng, F.I.H.R.M. HK, Human Resources Director, MTR Corporation Limited, President, Hong Kong Institute of Human Resource Management, HKIHRM 2018, present Chairperson, People Management Committee, Hong Kong Management Association, HKMA.
