Les règles de la méthode sociologique Émile Durkheim, Jean-Michel Berthelot, 1988 **Les Regles de la Methode Sociologique (Classic Reprint)** Emile Durkheim, 2017-11-21 Excerpt from Les Regles de la Methode Sociologique On est si peu habitue a Traiter les faits sociaux scientifi quement que certaines des propositions contenues dans tet ouvrage risquent de surprendre le lecteur Cependant s il existe une science des societes il faut bien s attendre a Ce qu elle ne consiste pas dans une simple paraphrase des prejuges traditionnels mais nous fasse voir les choses autrement qu elles n apparaissent au vulgaire car l objet de toute science est de faire des decouvertes et toute decou verte deconcerte plus ou moins les opinions recues A moins donc qu on ne prete au en sociologie une autorite qu il n a plus depuis longtemps dans les autres sciences et on ne voit pas d ou elle pourrait lui venir il faut que le savant prenne resolutement son parti de ne pas se laisser intimider par les resultats auxquels aboutissent ses recherches si elles ont ete methodiquement conduites Si chercher le paradoxe est d un sophiste le fuir quand il est impose par les faits est d un esprit sans courage ou sans foi dans la science About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Introduction à la méthode sociologique Paul Bureau, 1923 **La sociologie et sa méthode** Massimo Borlandi, Laurent Mucchielli, 1995 *Éléments de théorie et de méthode sociologique* Robert King Merton, 1953 Éléments de théorie et de méthode sociologique Robert King Merton, 1998

Deux soucis nous ont guidé en rassemblant les textes qui constituent cet ouvrage l'influence réciproque que la théorie et la recherche empirique exercent l'une sur l'autre le besoin de codification tant de la théorie en tant que telle que de procédures de l'analyse et tout particulièrement de l'analyse quantitative Ici par théorie sociologique nous entendons des conceptions logiquement reliées entre elles et d'une portée non pas universelle mais volontairement limitée Nous cherchons centrer l'attention sur ce qu'on pourrait appeler les théories moyenne portée et théories intermédiaires entre les hypothèses mineures qui jaillissent chaque jour foison dans le travail quotidien de la recherche et les larges spéculations qui partent d'un maître schéma conceptuel d'où l'on espère tirer un grand nombre de régularités du comportement social accessibles à l'observateur Nous croyons que la recherche d'un système entier de théorie sociologique où les observations de toutes sortes trouveraient immédiatement leur place marque le même risque et d'aussi maigres résultats que ces systèmes philosophiques universels qui sont tombés dans un abandon mérité Notre tâche majeure aujourd'hui consiste à développer des théories applicables une gamme limitée de données par exemple celles de la dynamique des classes sociales des pressions sociales en conflit de l'autorité du pouvoir et de l'exercice de l'influence interpersonnelle plutôt que de chercher immédiatement un cadre conceptuel intégral qui permette de diriger toutes ces théories Robert K Merton
