Memorandum 2september Economics Question Paper:

The Construction of a National Socialist Europe during the Second World War Raimund Bauer, 2019-10-14 Throughout the Second World War the term Europe featured prominently in National Socialist rhetoric This book reconstructs what Europe stood for in National Socialist Germany analyses how the interplay of its defining elements changed dependent on the war and shows that the new European order was neither an empty phrase born out of propaganda nor was it anti European Tying in with long standing traditions of German European v lisch and economic thinking imaginations of a New Order became a central category in contemporary political and economic decision making processes justifying cooperation as well as exploitation violence and murder Macroeconomic Analysis in the Classical Tradition James C W Ahiakpor, 2021-03-22

Macroeconomic Analysis in the Classical Tradition explains how the influence of Keynes s macroeconomics including his changed definitions of some key macroeconomic concepts has impeded many analysts ability to readily resolve disputes in modern macroeconomics Expanding on his earlier work Macroeconomics without the Errors of Keynes 2019 the author delves into more aspects of macroeconomic theory and argues for a revision of Keynes s contribution to the field Attention is given to theories and concepts such as Say s Law the quantity theory of money the liquidity trap the permanent income hypothesis 100% money and the Phillips curve analysis The chapters work to build a careful critique of Keynes s economics and make the case that the classical macroeconomics of Smith Say Ricardo Mill and others could help resolve present day policy disagreements and redefine macroeconomic priorities This book provides essential reading for advanced students and scholars with an interest in the foundations of Keynes s theories and current debates within macroeconomic policy
