Upside Down Dan Meyer, 2016-03-28 We the People have had it pretty good since WWII Our prosperity has resulted in our collective apathy toward the corrupt progression of what once were servants of the People into life long career politicians in Washington D C who have become our elite political ruling class Power corrupts and absolute power corrupts absolutely Today in our United States we have an all powerful central government enabled by a subservient media propelling our nation toward the living hell described in George Orwell s 1984 where truth cannot be found where freedom does not exist Upside Down clearly defines the immediate action We the People can and must take to restore what used to be our government of by and for the people If we choose to continue to sit on the sidelines and not get involved we will transition from apathy to dependence and out of that dependence will come the bondage from which we rose 239 years ago **Congressional Record** United States. Congress, 2014 *United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 1* , **The Crisis of Israel's Democracy, 1948-2025** Ilan Peleg, Ruth Amir, 2025-07-10 The Crisis of Israel s Democracy 1948 2025 Origins Developments and Consequences focuses on Israeli democracy its deep historical origins development over seven decades long term consequences and possible resolutions While most commentaries on Israel s crisis focus on the proposals for judicial reform by the Netanyahu government this study focuses on what it identifies as the fundamental problems of the Israeli regime its ethnonational rather than liberal democratic form its lack of a written constitution undermines the country s deeply divided society the greatly dysfunctional relations between the secular majority and the sizeable Orthodox minority and above all the seemingly permanent occupation of the Palestinian inhabited West Bank Peleg and Amir offer a broad perspective on these causes covering the historical failures of the country s founders an analysis of Israel s constitutional order and regime type commentary on sociopolitical cleavages and the dominant social psychology of Israelis and analysis of the charismatic populism of longtime Israeli prime minister Benjamin Netanyahu The volume concludes with analyzing future scenarios and possible solutions for Israel s democratic crisis The Crisis of Israel s Democracy offers the most comprehensive analysis of Israel s democratic backsliding to date comparing it to similar worldwide processes *Keys* Andrea Morgan, 2015
