

## MEMORANDUM

DATE: January 16, 2004

TO: Jeffrey Tryens, Director  
Oregon Progress Board

FROM: Vicki S. McConnell, Director  
Department of Geology and Mineral Industries

SUBJECT: Annual Performance Measure Report for the  
Department of Geology and Mineral Industries

Our Performance Measure Report covers the period from June 2002 to July 2003 maintaining our previous reporting schedule. I will summarize our performance accomplishments as well as indicating the challenges we face in the upcoming fiscal year.

Tasks in Program I (Geologic Survey and Services) consist of collecting and creating data and disseminating information regarding geological natural resources and hazards.

Program I projects cover the compilation and dissemination of geologic information and maps of sufficient detail to aid regions with a variety of land use and natural resource problems and policy development. Our Agency Goals (PM#7-9) reflect the primacy of our agency mission of geologic mapping and resource data collection. In this reporting period, we completed and published maps and reports of both regional and local scale. Our primary stakeholders for these publications are federal, state, and local entities concerned with the management of natural resources such as water.

High-resolution geologic maps are produced to provide data for local land use and resource development issues. These maps are important to foresters for resource development and fire suppression, to local planners for land use planning and development, to other state agencies for a variety of policy and resource decisions. For example, our geologic maps and resource databases provide vital information for decisions leading up to locating potential "shovel-ready" industrial sites for development. We maintain and update spatial databases of mineral and rock resources and the
