Memorandum Of Economics Paper Caps November 2013:

The Global Economic Order Elli Louka, 2020-04-24 Exploring in depth the institutions that underpin the global economy this study provides invaluable insights into why a minimum economic order has endured for so long and why states are unwilling to establish a maximum order a global safety net for all The author investigates how debt a critical component of states economic infrastructure leads to debilitating crises and how these crises undermine the economic autonomy and political independence of states *The Political Economy of Latin American Independence* Alexandre Mendes Cunha, Carlos Eduardo Suprinyak, 2016-09-19 Although historians usually trace its origins to the Haitian Revolution of the late 18th Century Latin American political economic and cultural emancipation is still very much a work in progress As new national identities were developed fresh reflection and theorising was needed in order to understand how Latin America related to the wider world Through a series of case studies on different topics and national experiences this volume shows how political economy has occupied an important place in discussions about emancipation and independence that occurred in the region The production of political economic knowledge in the periphery of capitalism can take on many forms importing ideas from abroad translating and adapting them to local realities or else producing concepts and theories specifically designed to make sense of the uniqueness of particular historical experiences *The Political Economy of Latin American Independence* illustrates each of these strategies exploring issues such as trade policy money and banking socio economic philosophy nationalism and economic development The expert authors stress how the originality of Latin American economic thought often resides in the creative appropriation of ideas originally devised in different contexts and thus usually ill suited to local realities Taken together the chapters illustrate a fertile methodological approach for studying the history of political economy in Latin America This book is of great interest to economic historians specialising in Latin America as well as those who study history of economic thought political economy and Latin American history

New Business and Regulatory Strategies in the Postal Sector Pier Luigi Parcu, Timothy J. Brennan, Victor Glass, 2019-02-13 This book addresses major issues facing postal and delivery services throughout the world Worldwide there is currently a considerable amount of interest in postal and delivery economics The industry is reacting to a state of near crisis and is implementing different drastic changes The European Commission and member States are still wrestling with the problem of how to implement entry liberalization into postal markets how to address digital competition and how to maintain the universal service obligation USO The Postal Accountability and Enhancement Act of 2006 in the U S has perhaps created and exacerbated the problems faced by USPS Digitalisation technological development and online platforms are strongly affecting both the way postal and delivery operators are managing their services as well as their role on the market Strong emphasis was attributed to the assets of Postal Operators POs and their added value in the digital age as well as on new business strategies This volume presents original essays by prominent researchers in the field selected and edited from papers presented at this year s 26th

Conference on Postal and Delivery Economics held in Split Croatia from May 30 June 2 2018 Topics addressed by this volume include quality of service last mile solutions and competition in the liberalized market This book will be a useful tool not only for graduate students and professors but also for postal administrations consulting firms and federal government departments

Fiscal Sustainability of Health Systems Bridging Health and Finance Perspectives OECD,2015-09-24 The health systems we enjoy today and expected medical advances in the future will be difficult to finance from public resources without major reforms Public health spending in OECD countries has grown rapidly over most of the last half century These spending increases have contributed to

Beyond the New Deal Order Gary Gerstle,Nelson Lichtenstein,Alice O'Connor,2019-12-27 Ever since introducing the concept in the late 1980s historians have been debating the origins nature scope and limitations of the New Deal order the combination of ideas electoral and governing strategies redistributive social policies and full employment economics that became the standard bearer for political liberalism in the wake of the Great Depression and commanded Democratic majorities for decades In the decline and break up of the New Deal coalition historians found keys to understanding the transformations that by the late twentieth century were shifting American politics to the right In *Beyond the New Deal Order* contributors bring fresh perspective to the historic meaning and significance of New Deal liberalism while identifying the elements of a distinctively neoliberal politics that emerged in its wake Part I offers contemporary interpretations of the New Deal with essays that focus on its approach to economic security and inequality its view of participatory governance and its impact on the Republican party as well as Congressional politics Part II features essays that examine how intersectional inequities of class race and gender were embedded in New Deal labor law labor standards and economic policy and brought demands for employment economic justice and collective bargaining protections to the forefront of civil rights and social movement agendas throughout the postwar decades Part III considers the precepts and defining narratives of a post New Deal political structure while the closing essay contemplates the extent to which we may now be witnessing the end of a neoliberal system anchored in free market ideology neo Victorian moral aspirations and post Communist global politics Contributors Eileen Boris Angus Burgin Gary Gerstle Romain Huret Meg Jacobs Michael Kazin Sophia Lee Nelson Lichtenstein Joe McCartin Alice O Connor Paul Sabin Reuel Schiller Kit Smemo David Stein Jean Christian Vinel Julian Zelizer
