Critical Items:

The following items are critical to successful whole-grade acceleration. This form may also be used for subject based acceleration, as appropriate. If any of these items apply to the student in question, whole-grade acceleration is not recommended. However, we strongly encourage the team to complete the IAS in order to use the information to consider curricular alternatives for accelerating the student's academic experiences. **If any one of these items is checked, please proceed to the conclusions/next steps section on the last page.**

- ☐ The student's ability was measured by a cognitive abilities assessment and is less than one standard deviation above the mean.
- ☐ The student would be accelerated into the same grade as (or a higher grade than) a sibling.
- ☐ The student presently has a sibling in the same grade.
- ☐ The student indicates that he/she does not want to be whole-grade accelerated.

Please carefully research and respond to the following considerations. Place a check next to each topic as it is discussed and expand on any response you deem necessary.
