### WHAT HOBBY OR TALENT DO YOU HAVE?

"I love to play basketball. It has brought so much joy to me. Little kids come up to me and ask if I can dunk and I show them. I started playing basketball in the seventh grade. I had always wanted to play. I just never had the chance to when I was younger. I can also play instruments. I play piano, drums, guitar and bass. I also sing a little bit. I have been playing piano since I

was about eight. I taught myself. I play at my church so people posted me on social media leading to people asking questions about how I do that and then I'd post on my social media. People always come up to me asking questions about it."

### WHAT HOBBY OR TALENT DO YOU HAVE?

"Technically, it is more than one hobby, but you can group them together. I love to do things with yarn, I love to crochet, knit and I am learning to sew stitch, but I am not very good at it yet. I have been doing it since before COVID to fit sophomore year. It isn't that attractive to people, but it's kind of cool and I really enjoy doing it. It brings me a lot of peace of mind and it's really good to unwind after a day and I really recommend it to people to try. My mother had always loved crocheting, but she had recently stopped before I started. I took an

interest in it because I love my mom. I made this really cute, huge table cloth that is hung on my wall because I am so proud of it. It took me months to make. I had to take a break from crocheting after it."

"I loved doing crochet TUTORIALS AND it's probably the best way to learn. I RECOMMEND looking for books or a video or something."
