The Erotic Adventures of a Victorian Doctor: His Private Dolly Mop Dorian Shellan, 2019-03-22

The masochistic Lady Bridgette Donahue is Doctor Damian Thatch's favorite patient but since she is a married woman he must contain his passions when with her Desiring a partner without limitations Damian frequents Madame Q's nunnery a high end London brothel which provides the services of dolly mops for gentlemen with sadistic tastes A dolly mop is a girl in domestic service such as a maid or a nanny who in order to earn a little extra money beyond her regular employment chooses to become a prostitute Unlike a full time brothel worker who cannot afford to be left in a condition which might render her unable to entertain gentlemen for a few days a dolly mop can easily keep marks hidden in her regular job and take time to recover before returning to brothel work Yet in spite of the liberties he is able to take with prostitutes Damian's arousal and subsequent release with them is never as grand as when he is with the submissive Lady Bridgette Purchasing pleasures deprives Damian of the authenticity his sadism requires But when Damian notices that a new dolly mop is actually Rosie his own parlor maid he realizes that he may have found a potential solution to his frustration When he confronts Rosie she chooses to take the option of being trained to satisfy his desires rather than face immediate termination of employment Now Damian will turn Rosie into his ideal submissive subjecting her to bondage birching and a variety of sex acts including performing with Lady Bridgette This is the third book in the Victorian BDSM erotica series *The Erotic Adventures of a Victorian Doctor* featuring Doctor Damian Thatch
