*Hegemonic Mimicry* Kyung Hyun Kim,2021-09-13 In *Hegemonic Mimicry* Kyung Hyun Kim considers the recent global success of Korean popular culture the Korean wave of pop music cinema and television which is also known as hallyu from a transnational and transcultural perspective Using the concept of mimicry to think through hallyu s adaptation of American sensibilities and genres he shows how the

commercialization of Korean popular culture has upended the familiar dynamic of major to minor cultural influence enabling hallyu to become a dominant global cultural phenomenon At the same time its worldwide popularity has rendered its Koreanness opaque Kim argues that Korean cultural subjectivity over the past two decades is one steeped in ethnic rather than national identity Explaining how South Korea leaped over the linguistic and cultural walls surrounding a supposedly minor culture to achieve global ascendance Kim positions K pop Korean cinema and television serials and even electronics as transformative acts of reappropriation that have created a hegemonic global ethnic identity **Korean War Filmography**

**Benn's Media**, 2006 **Truth and Rumors** Bill Brioux, 2007-12-30 When you first heard it you couldn't believe it Jerry Mathers from TV's *Leave It To Beaver* had been killed in Vietnam Then word came that Abe Vigoda the actor who played the curmudgeonly cop Fish on *Barney Miller* was dead and that Mikey who would eat anything as the Life Cereal tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn't otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across North America and beyond And most important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that were doing when were dealing in these fabulous rumors are we chasing after surprising

truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in Time magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well
