

Make Someone Smile Card

You will need

- A4 coloured card (any colour is fine)
- Two lip templates
- scissors
- glue
- felt tips (red or pink, black and any colours you want to use to write the message)

What to do

1. Fold the card in half.

2. Cut out the top half of the front part of the card.

3. Colour in the lip templates. The lips should be red or pink and the inside of the mouth should be black. Don't colour in the writing.

4. Cut out both lip templates.

5. Stick Lip Template One to the inside of the card. Make sure the top lip sticks up so you can see it when the card is closed.

6. Stick Lip Template Two to the outside of the card. It should line up with the top of the lip you already stuck down to make it look like it's one mouth.

7. At the top of the card, write the words 'You Make Me'. Then, when the card is open, the word 'smile' will be revealed.

8. Write a message inside the card to the person you are sending it to. Remember to use your neatest handwriting.
