122 pages and profusely illustrated with more than 200 illustrations diagrams and charts size 8 250 x 10 750 inches this manual covers all 1968 to 1978 piston port Motocross Enduro and Gelande Sport GS models Originally published by Floyd Clymer in 1969 with coverage for the 1969 and earlier 250cc and 360cc models While this 2025 edition includes all of the information from the original publication it has been expanded to include data for the 1970 and later 400cc 450cc and 501cc machines It also includes an additional 10 page appendix for the 1973 and onwards piston port models which extends the coverage through 1975 and for some models through 1978 In addition it includes the Competition Preparation chapter that

was omitted from the later publications of the Clymer manual The additional 10 page appendix for the 1973 and later 250cc 400cc 440cc and 501cc models includes exploded parts drawings with appropriate component lists for the engine front forks swing arm and rear suspension front hub and brake and rear hub and brake It also includes a detailed specification listing plus wiring diagrams for machines both with and without lights As these machines were designed for competition use continuous modifications and improvements without regard to the model year were made by the factory in order to keep the motorcycles competitive Consequently the owner should be aware that the year of production is not a specific identifier for a particular specification However as most of the modifications relate to internal dimensional changes they do not detract from the intent of this workshop manual VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound or ring bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years With more than 250 titles in print VelocePress is one of the fastest growing specialty automobile and motorcycle publishing companies in the USA Please visit our website at www.VelocePress.com for more information on our company and our books *Yamaha DT 50 & 80 Trail*
