Manual Of Stable Operations:

The U.S. Army Stability Operations Field Manual ,2010-06-04 Field Manual 3 07 Stability Operations represents a milestone in Army doctrine With a focus on transforming conflict managing violence when it does occur and maintaining stable peace The U S Army Stability Operations Field Manual otherwise known as FM 3 07 signals a stark departure from traditional military doctrine The Army officially acknowledges the complex continuum from conflict to peace outlines the military s responsibility to provide stability and security and recognizes the necessity of collaboration coordination and cooperation among military state commercial and non government organizations in nation building efforts The manual reflects a truly unique collaboration between the Army and a wide array of experts from hundreds of groups across the United States Government the intergovernmental and non governmental communities America s allies around the world and the private sector All branches of the armed forces U S agencies ranging from the State Department to Homeland Security to Health and Human Services international agencies from the United Nations to the Red Cross to the World Bank countries from the United Kingdom to India to South Africa private think tanks from RAND to the United States Institute of Peace to the Center for New American Security all took part in the shaping of this document The U S Army Stability Operations FieldManual marks just the second time in modern history that the U S Army has worked with a private publisher to produce a military doctrinal document Lieutenant General William B Caldwell IV is Commander of the Combined Arms Center at Fort Leavenworth Kansas Mich le Flournoy Under Secretary of Defense for Policy Shawn Brimley Fellow Center for a New American Security Janine Davidson Deputy Assistant Secretary of Defense for Plans It is a roadmap from conflict to peace a practical guidebook for adaptive creative leadership at a critical time in our history It institutionalizes the hard won lessons of the past while charting a path for tomorrow This manual postures our military forces for the challenges of an uncertain future an era of persistent conflict where the unflagging bravery of our Soldiers will continue to carry the banner of freedom hope and opportunity to the people of the world From the foreword by Lieutenant General William B Caldwell IV Commander of the Combined Arms Center at Fort Leavenworth Kansas **Stability Operations** U. S. Army,2008-10-31 Field Manual FM 3 07 is the Army s keystone doctrinal publication for stability operations FM 3 07 presents overarching doctrinal guidance and direction for conducting stability operations setting the foundation for developing other fundamentals and tactics techniques and procedures detailed in subordinate field manuals It also provides operational guidance for commanders and trainers at all echelons and forms the foundation for Army Training System curricula The six chapters that make up this edition of Stability Operations constitute the Army s approach to the conduct of full spectrum operations in any environment across the spectrum of conflict This doctrine focuses on achieving unity of effort through a comprehensive approach to stability operations but reamins consistent with and supports the execution of a broader whole of government approach as defined by the United States Government *Department of Defense Authorization for Appropriations for Fiscal*
