The Beginning Spellcaster

The most powerful mages in Tamriel were once beginners. They all had similar early experiences: exposure to magic kindled an interest or unlocked some latent ability, followed by years of hard work. Rather than becoming discouraged, the student should look forward to higher levels of skill, such as the advanced techniques of absorbing spells, summoning lesser (and eventually greater) Daedra and undead—for research purposes only—and protection against specific types of spells, such as Flame, Frost, and Shock spells.

Mages wishing to specialize in a particular school of magic are encouraged to learn as many spells as possible within that school, and to practice them frequently. All mages, whether specializing or nurturing a general interest, are encouraged to apply for membership within the Mages Guild. Beyond services available to the general public, the accomplished Guild member has access to
