It S Alright To Look Different:

It's OK to Be Not OK Federico G. Villanueva, 2017-09-30 How often have you seen a friend and been greeted with How are you Almost always our automatic response is Fine thank you regardless of whether it s true We proclaim in church services that God is good all the time All the time God is good but there are often times when we feel that life is just unfair and ask God Why The uplifting songs and victorious testimonies of our church gatherings are frequently difficult to identify within the midst of the suffering and hardship of people s daily lives yet there is all too often no room for our not OK experiences in our Christian communities This is especially true for pastors and leaders who are required to always be strong and OK all the time But the songs of lament in the Psalms paint a very different picture of understanding life and how human beings express themselves to God Dr Rico Villanueva uses these Scriptures to teach us that in the presence of God there is room to be not OK and that our negative experiences don t have to be ignored This book challenges us to confront our struggles and questions instead of denying them Most importantly the author invites us to bring all of ourselves into the presence of God and the community of faith For it is through our experiences and sharing them with God and his church that we grow in intimacy with God and our relationships with one another

Why It's OK to Be of Two Minds Jennifer Church, 2020-09-22 Most of us experience the world through competing perspectives A job or a religion seems important and fulfilling when looked at in one way but from a different angle they seem tedious or ridiculous A friend is obtuse from one point of view wise from another Continuing to hold both views at once can be unsettling highlighting conflicts between our own judgments and values and undermining our ability to live purposefully and effectively Yet as Jennifer Church argues in this book inner conflict can be a good thing and not just as a temporary road bump on the road to resolution This book describes several desirable types of double consciousness or being of two minds and explains why and how they should be maintained Church looks critically at some common ideas about identity including a popular belief about narratives that suggests our lives should make sense as a story She also examines how empathy can helpfully cause us to be of two minds and how various forms of irony and laughter enable us to benefit from holding onto opposing views Finally Church shows the merit of acknowledging reality while sometimes being guided by fantasy Why It s OK to Be of Two Minds is for anyone who s held two opposing views simultaneously which is to say it s for everyone Key Features Argues against a long standing philosophical idea that it is important to resolve inner conflicts that result from competing systems of beliefs Examines the role of empathy and friendship in maintaining a valuable form of double consciousness Considers how irony and laughter allow us to dedicate ourselves to our particular projects while acknowledging their ultimate insignificance Shows how fantasies that conflict with our beliefs can make a positive contribution to the way we live our lives

You're Going to Be Okay Madeline Popelka, 2023-09-12 Now in paperback a hopeful and approachable book from the creator of HealingFromPTSD the largest trauma healing community on Instagram in which each chapter is inspired by the top

performing posts from the page Madeline Popelka is a trauma survivor who knows firsthand how some survivors can feel like they've lost themselves to trauma and that it might seem impossible to find the upside of a devastating experience After Madeline was diagnosed with PTSD and began to heal she felt a need to create a space where other trauma survivors wouldn't feel so isolated She then founded HealingFromPTSD which has grown into the largest trauma healing community on Instagram In this hopeful and empowering book there are 16 chapters each reflecting a lesson or insight that Madeline gained along her healing journey Among them Trauma Doesn't Have an Expiration Date Your Emotions Are Your Allies You Weren't Meant to Heal Alone Hold Space for the Goodness Embrace the Ongoing Process Writes Madeline I'm sharing the 16 key lessons that I wish I learned sooner and the insights I gained that shifted my perspective and reduced my shame with the hopes that they will do the same for you I'm sharing what I needed to hear when I didn't get the encouragement I wanted from my friends family or therapist I'm sharing the thoughts that brought me comfort and peace when I was feeling isolated and I hope that by sharing my story you feel less alone and are inspired to take your healing into your own hands In You're Going to Be Okay you'll learn that healing is a lifelong journey and while it can be messy and uncomfortable there are gifts to be found along the way
