Launch an Intermediate Writing Workshop Lucy Calkins, 2010-10-12 If the writing workshop is always changing always haphazard children remain pawns waiting for their teacher's agenda For this reason and others I think it is so important for each day's workshop to have a clear simple structure Children should know what to expect This allows them to carry on it frees the teacher from choreographing activities and allows time for listening How we structure the workshop is less important than that we structure it Lucy Calkins Learn how to teach narrative and expository writing with increasing power and intimacy and how Lucy Calkins and her colleagues launch a rigorous and responsive intermediate writing workshop Through 2 foundational books A Guide to the Writing Workshop and Launching the Writing Workshop and eight online video clips Lucy and her colleagues provide the strategies lesson plans and tools you'll need to lead strong efficient writing workshops in upper elementary classrooms A Guide to the Writing Workshop equips you to teach a productive well managed writing workshop introduces you to the methods that underlie all writing instruction and helps you plan a yearlong curriculum in the teaching of writing After chronicling the guiding principles that shape a writing workshop Lucy details the developmental stages of upper elementary writers Ensuing chapters describe the architecture of minilessons conferences and small group strategy sessions and explain how the predictability of these frameworks fosters independence and self direction In addition to describing the management systems that make writing workshops possible select chapters

consider various ways to tailor instruction and address the demands of the contemporary classroom In *Launching the Writing Workshop* Lucy helps you launch both your writing workshop and your yearlong writing curriculum While initiating students into the structures and rituals of the writing workshop this unit also reviews and teaches the essentials of writing collecting drafting revising editing and publishing In addition to introducing practical strategies for finding topics and generating writing children practice the strategy of making movies in their minds and writing so readers can picture exactly what is happening Students also learn the value of focusing on small moments in such detail that readers feel they are experiencing the event Through the eight accompanying video clips Lucy and her colleagues open the doors of their classrooms and invite you to eavesdrop on their elementary writing workshops These live from the classroom video clips are supported and enhanced by an optional voice over coaching commentary from Lucy that explains the teaching moves and strategies Video clips are free for 6 months upon registration You must register within 6 months of purchase Learn more about these resources and the series at www.unitsofstudy.com This pack is part of firsthand's Getting Started series Bridging the gap between educational theory and practice firsthand classroom materials model the carefully crafted techniques and language of master teachers in ways that help teachers refine their practice and reinvent their own teaching The most comprehensive of these resources span more than a year of instruction Firsthand's Getting Started Packs were created for teachers in training and professional book study groups who want a compact affordable way to study and tryout these transformative classroom materials Each Getting Started Pack includes an overview book a complete unit of study online video clips provided free of charge for 6 months and an accompanying study guide Getting Started packs include Launch a Primary Writing Workshop Grades K 2 Launch an Intermediate Writing Workshop Grades 3 5 Launch an Intermediate Reading Workshop Grades 3 5 Introduce the Qualities of Writing Grades 3 6 Monitor Comprehension with Primary Students Grades K 2 Monitor Comprehension with Intermediate Students Grades 3 6 Investigate the Number System Grades K 3 Investigate Multiplication Grades 3 5 Investigate Fractions Grades 4 6

Growing Readers Kathy Collins, 2004 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these

units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in Growing Readers create the kind of primary classrooms where that happens
