Misadventures Of Wunderwear Woman Down Under English Edition:

Misadventures of Wunderwear Woman Down Under Denis Hayes, 2014-09-29 As always Wunderwear Woman is a special breed She is not anorexic rippling with muscles and totally hardbodied She doesnt collapse at the sight of Kryptonite nor turn into a fly or spider neither does she fly in the air or run up walls to destroy a hundred opponents in just a few seconds Some may say she just blunders in whereas in reality she only wants to speak her mind and tell it as she sees it In the first book she was single and based in the UK while in the second she was married and living in the USA In this the third book she visits Australia with her in laws She has slimmed and trimmed but not too much and has modified her approach but not too far She is still very bold and upfront but in a more controlled way She wants to change the world make it a better place and still dares to say the things too many hardly dare to think She faces the facts as she sees them and faces the people who need to be faced She has developed her style to let others into her opinions She sets the scene for others to explode and have a lot more to say for themselves than previously The results are just as comical and just as serious This is an adult book humorous satirical and sexually explicit with strong language in places dealing with all the issues of the past present and future times Things that adults do Beware Wunderwear Woman is not for the smug contented and fainthearted and is specifically designed to irritate the conservatives and politically correct Enjoy the world of Wunderwear Woman
