Natives and Strangers Leonard Dinnerstein, Roger L. Nichols, David M. Reimers, 1979 **Natives and Strangers** Leonard Dinnerstein, Roger L. Nichols, David M. Reimers, 2003 Traces the shifting tides of America's ethnic composition from the English colonists of Jamestown to the Asians and Mexicans of the West charting the process of assimilation economic advancement and cultural conflict *Immigrants in American History* Elliott Robert Barkan, 2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization *Immigrants in American History* Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture [The Columbia Documentary History of Race and Ethnicity in America](#) Ronald H. Bayor, 2004-07-14 All historians would agree that America is a nation of nations But what does that mean in terms of the issues that have moved and shaped us as a people Contemporary concerns such as bilingualism incorporation assimilation dual identity ethnic politics quotas and affirmative action residential segregation and the volume of immigration resonate with a past that has confronted variations of these modern issues *The Columbia Documentary History of Race and Ethnicity in America* written and compiled by a highly respected team of American

historians under the editorship of Ronald Bayor illuminates the myriad ways in which immigration racial and ethnic histories have shaped the contours of contemporary American society This invaluable resource documents all eras of the American past including black white interactions and the broad spectrum of American attitudes and reactions concerning Native Americans Irish Catholics Mexican Americans Jewish Americans and other groups Each of the eight chronological chapters contains a survey essay an annotated bibliography and 20 to 30 related public and private primary source documents including manifestos speeches court cases letters memoirs and much more From the 1655 petition of Jewish merchants regarding the admission of Jews to the New Netherlands colony to an interview with a Chinese American worker regarding a 1938 strike in San Francisco documents are drawn from a variety of sources and allow students and others direct access to our past Selections include Powhatan to John Smith 1609 Thomas Jefferson Notes on the State of Virginia Petition of the Trustees of Congregation Shearith Israel 1811 Bessie Conway or The Irish Girl in America German Society in Chicago Annual Report 1857 1858 Mark Twain s Salutation to the Century W E B DuBois Of Our Spiritual Strivings NAACP on Black Schoolteachers Fight for Equal Pay Malcom X speech 1964 Hewy Newton interview and Black Panther Party platform Preamble La Raza Unida Party Lee Iacocca speech to Ethnic Heritage Council of the Pacific Northwest 1984 Native American Graves and Repatriation Act 1990 L A riot from the Los Angeles Times May 3 15 1992 Nov 16 19 1992 Asian American Political Alliance President Clinton s Commission on Race Town Meeting 1997 Louis Farrakhan The Vision for the Million Man March

The Aliens Leonard Dinnerstein, Frederic Cople Jaher, 1970 Indians in the United States and Canada Roger L. Nichols, 2018 Drawing on a vast array of primary and secondary sources Roger L Nichols traces the changing relationships between Native peoples and whites in the United States and Canada from colonial times to the present Dividing this history into five stages beginning with Native supremacy over European settlers and concluding with Native peoples political economic and cultural resurgence Nichols carefully compares and contrasts the effects of each stage on Native populations in the United States and Canada This second edition includes new chapters on major transformations from 1945 to the present focusing on social issues such as transracial adoption of Native children the uses of national and international media to gain public awareness and demands for increasing respect for tribal religious practices burial sites and historic and funerary remains

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Uncertain Americans Leonard Dinnerstein, Frederic Cople Jaher, 1977 **American Cultural Studies** Neil C. Campbell, Alasdair Kean, 2005-08-12 Drawing on literature art film theatre music and much more American Cultural Studies is an interdisciplinary introduction to American culture for those taking American Studies This textbook introduces the full range and variety of American culture including issues of race gender and youth provides a truly interdisciplinary

methodology suggests and discusses a variety of approaches to study highlights American distinctiveness draws on literature art film theatre architecture music and more challenges orthodox paradigms of American Studies This is a fast expanding subject area and Campbell and Kean's book will certainly be a staple part of any cultural studies student's reading diet

Natives and Strangers Leonard Dinnerstein, Roger L. Nichols, David M. Reimers, 1990 Brought completely up to date to reflect recent scholarship and the new wave of immigration to the United States in the last decade the second edition of this immensely popular book highlights a much neglected dimension of the American past by giving a unique focus to the history of the nation's minority groups Within the context of the country's economic development the authors show how blacks Indians and immigrant minorities helped transform an agrarian society into the modern industrial urban nation of the 1990s Remarkable in the breadth of its coverage this is the first survey that integrates the experiences of racial religious and ethnic minorities to present an overall sense of American history while illuminating major trends in the growth of the United States The Second Edition includes entirely new material on Indian efforts to retain their cultural independence and their attempts to shape relations with the majority society The book also new data on recent refugees and current immigration legislation Written in the same clear straightforward style that made the previous edition so popular the Second Edition which features many well chosen illustrations will be essential reading for students of American ethnic history

American Culture Anders Breidlid, 1996 American Culture is an anthology of primary documentary texts of American civilisation using excerpts from speeches political addresses articles interviews oral histories autobiographies advertisements and song lyrics Edited by academics who are highly experienced in the study and teaching of American Studies across a wide range of institutions this volume provides a wide range of texts that introduce the students to various sides of American society in an historical perspective its regions immigration social structure ethnic groups ideology religion and popular culture primary sources of American life that students themselves can subject to cultural analysis and discussions in class linking text arranged thematically a means of seeing and understanding the ways in which language and culture are closely related enabling students to integrate the study of culture and language and develop a combination of linguistic and cultural analytical skills
