AI in Social Studies Education Christopher H. Clark, Cathryn van Kessel, 2025 The introduction of widely available generative AI tools has caused a frenzy of both positive and negative reactions Between utopian visions and apocalyptic predictions of AI's impact on education there is a need to thoughtfully consider what education in the age of AI can and should look like This volume focuses on the implications of AI technology for teachers in K 12 and university settings providing a careful look at its affordances and drawbacks for social studies curriculum and teaching Scholars specializing in the field of social studies education provide information and practical ideas for teaching with current technology alongside frameworks for thinking about future iterations of AI This book fills a critical need especially among educators to consider the current and potential future impacts of AI while avoiding the traps of alarmism or techno utopianism Whether skeptical or enthusiastic about AI every social studies educator will find something useful to their practice in this book

Book Features First ever compilation of AI considerations and strategies in the context of social studies education Nontechnical explanations of what AI can do and not do in practical educational contexts to enable educators to approach its use with careful judgment Advice for educators to help them assess future iterations of AI technology Critical considerations of AI across multiple contexts e g ethics equity multilingual learners cybersecurity Work from leaders in technology and social studies education across Canada and the United States Contributors Erin C Adams Curby Alexander Elizabeth Barrow Daphanie Bibbs Ariel Cornett Matthew Cress Kevin Donley Leslie Smith Duss Lindsay Gibson Thomas C Hammond Marie Heath Dawnavyn James Patrick Kane Dan Krutka Liran Ma Tim Monreal Rachel Moylan Julie Oltman Zilong Pan Michelle Reidel Elizabeth C Reynolds Tina C Soliday Vi Trinh Bretton A Varga

Promoting Equity for Multilingual Learners With Disabilities Sara E. N. Kangas, This book examines the nature of equity for one of the most vulnerable populations of K 12 students multilingual learners MLs with

disabilities Drawing from a rich array of research and experiences as a teacher educator and policy consultant the author demonstrates how MLs with disabilities encounter inequities in predictable repeated ways throughout their schooling Kangas establishes how these patterned inequities pervade education systems school policies and processes ultimately stifling the learning opportunities and educational rights of students with intersecting language learning and disability needs Through concrete recommendations and helpful resources the text empowers educators researchers and policymakers to detect and dismantle patterned inequities in their respective roles This is an important guide for all stakeholders wishing to promote equitable learning and life opportunities for MLs with disabilities Book Features Examines contemporary research across a range of topics e g service provision individualized plans reclassification and policy Offers a lens for understanding the challenges and solutions to supporting multilingual learners with disabilities Focuses on equity and social justice in education systems classrooms and policies Written to be accessible for a wide range of stakeholders including K 12 administrators and teachers researchers and policymakers

Unlocking Multilingual Learners' Potential Diane Staehr Fenner, Sydney Snyder, Meghan Gregoire-Smith, 2024-01-10 Bring classroom content to life for multilingual learners In this eagerly anticipated revision of their bestselling book authors Diane Staehr Fenner Sydney Snyder and Meghan Gregoire Smith share dynamic research backed strategies that every educator of multilingual learners MLs can add to their repertoire Including more of what educators loved from the first edition authentic classroom examples a wide variety of research based instructional strategies and practical tools to implement across grade levels and content areas this is the ultimate practical guide to unlocking the potential of MLs in K 12 classrooms With fresh graphics and eye catching colors this thoroughly revised edition also includes Considerations for newcomers and students with interrupted or no formal education SLIFE An added chapter on building scaffolded instruction and peer learning opportunities into MLs academic reading and writing activities Additional opportunities for reflection and application A new unit planning template aligned with research based instructional practices including a completed example unit Situated within five core beliefs that frame the must haves for MLs equitable and excellent education Unlocking Multilingual Learners Potential is a guide to research based practices and a toolbox of strategies every educator can implement to make content accessible and increase language proficiency among MLs

Social Emotional Learning for Multilingual Learners Diane Staehr Fenner, Mindi Teich, 2024-04-12 Foster multilingual learners academic success wellbeing agency and belonging Though multilingual learners MLs comprise nearly 25% of the school age population the most widely used social emotional learning SEL frameworks and programs lack an intentional focus on these students unique strengths and challenges To foster MLs academic success and wellbeing educators must consider students cultures languages assets expectations norms and life experiences when integrating SEL practices In this groundbreaking book Dr Diane Staehr Fenner and Mindi Teich break down how each of the five competencies in the Collaborative for Academic Social and Emotional Learning CASEL SEL framework can be implemented

with ML success in mind Staehr Fenner and Teich's practical and engaging guide provides SEL considerations that are unique to MLs relevant research easy to implement educator actions and tools to seamlessly integrate SEL practices into content and language instruction Additional features include Tools and practical strategies educators can apply immediately Programmatic and systemic considerations that impact SEL for MLs Examples of successful SEL strategies for MLs currently being used in classrooms Ample opportunities for reflection and application in each chapter Templates to prioritize and integrate SEL for MLs into teaching practices MLs thrive when they are validated and supported to achieve their goals empathize with others build relationships and make responsible decisions The essential actions presented in this guide will enable you regardless of your role or prior experience with SEL to empower MLs to achieve academic and lifelong success
