## **Mu English Edition:**

*Avicenna's Allegory on the Soul* Wilferd Madelung, 2015-10-19 I B Tauris in association with the Institute of Ismaili Studies The Persian philosopher Ibn Sina d 1037 known in Europe as Avicenna was arguably the greatest master of Aristotelian thought in the Muslim world The symbolical Poem on the Soul Qasida al nafs which portrays all earthly human souls as in temporary exile from heaven is traditionally attributed to Avicenna and was received with enthusiasm by its commentators A highly significant commentary on the Qasida was written by Ali b Muhammad b al Walid d 1215 CE a major early representative of the Tayyibi Ismaili tradition which emerged and flourished in medieval Yemen In his view the poem encapsulated Tayyibi beliefs whose doctrines bear striking parallels with late antique Gnosticism *Avicenna's Allegory on the Soul* presents the first edition of the Arabic text of Ibn al Walid's commentary The Useful Epistle al Risala al mufida alongside an English translation and extended introduction It offers invaluable insight into the intricacies of Muslim thought and a deeper understanding of Avicenna's substantial intellectual legacy *Creative in Struggle* Twilla R. Welch, 2007-09 *Creative in Struggle* is the true and frank account of the author's experience of teaching Karen students in a refugee camp on the Thai Burma border It presents actual events but does not reduce them down to a mere chronology Instead it charts a challenging reflection on the frailties of being a helper the weaknesses of being a Westerner and a realization of the lived meaning of spiritual freedom even when they are painful to admit Interspersed between the author's chapters are essays written by the students themselves The essays tell their stories in their words of what it means to be an oppressed and targeted tortured and hunted silenced and displaced people Although the story is an intensely personal one through the articulation of the inner psyche the reader is moved from a safe and distant place of the observer into one which at times feels incredibly close utterly naked and frighteningly vulnerable The reader is compelled to consider the implications of freedom of oppression and of personal responsibility *Creative in Struggle* brings to the forefront of our minds and to the center of our hearts one unavoidable and self evident truth that their freedom and ours are indeed inextricably linked **The Central Provinces**
