Go Home! Rowan Hisayo Buchanan, 2018-02-19 An anthology of Asian diasporic writers musing on the notion of home Bold and devastating the very definition of reclamation The International Examiner Asian diasporic writers imagine home in the twenty first century through an array of fiction

memoir and poetry Both urgent and meditative this anthology moves beyond the model minority myth and showcases the singular intimacies of individuals figuring out what it means to belong The notion of home has always been elusive But as evidenced in these stories poems and testaments perhaps home is not so much a place but a feeling one embodies I read this book and see my people see us and feel in our collective outsiderhood at home Ocean Vuong New York Times bestselling author of *On Earth We're Briefly Gorgeous* To be from nowhere is the state of Asian diaspora but there is also a wild humor and imagination that comes from being underestimated rarely counted hardly seen Here we begin to draw the hopeful outlines of a collective history for those so disparate yet often lumped together Jenny Zhang author of *My Baby First Birthday* Language allows for many homes and perhaps the writers and readers of the anthology too will succeed in returning home or finding a home through these words NPR.org Effectively dismantling all sorts of stereotypes Buchanan's anthology gives voice to notions of identity belonging and displacement that are much more vast complex and textually rich than mere geography Shelf Awareness Revolutionary for all the iterations of home it shows through fiction poetry and memoir sure to provoke a full range of emotions to swoon and clutch in my chest Literary Hub **TV Guide**, 2002 **Radical Reproductive Justice** Loretta Ross, Erika Derkas, Whitney Peoples, Lynn Roberts, Pamela Bridgewater, 2017-10-16 Expanding the social justice discourse surrounding reproductive rights to include issues of environmental justice incarceration poverty disability and more this crucial anthology explores the practical applications for activist thought migrating from the community into the academy Radical Reproductive Justice assembles two decades of work initiated by SisterSong Women of Color Health Collective creators of the human rights based reproductive justice framework to move beyond polarized pro choice pro life debates Rooted in Black feminism and built on intersecting identities this revolutionary framework asserts a woman's right to have children to not have children and to parent and provide for the children they have The book is as revolutionary and revelatory as it is vast Rewire [News Media Yellow Book](#), 2004 *Newsweek*, 2006 **Television & Cable Factbook**, 2008 **Library & Information Science Abstracts**, 2002 *Emmy*, 2005 *The Nation*, 2002
