Asset Recovery Handbook Jean-Pierre Brun, Anastasia Sotiropoulou, Larissa Gray, Clive Scott, Kevin M.

Stephenson, 2021-02-08 Developing countries lose billions each year through bribery misappropriation of funds and other corrupt practices Much of the proceeds of this corruption find safe haven in the world's financial centers These criminal flows are a drain on social services and economic development programs contributing to the impoverishment of the world's poorest countries Many developing countries have already sought to recover stolen assets A number of successful high profile cases with creative international cooperation has demonstrated that asset recovery is possible However it is highly complex involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions as well as the capacity to trace and secure assets and pursue various legal options whether criminal confiscation non conviction based confiscation civil actions or other alternatives This process can be overwhelming for even the most experienced practitioners It is exceptionally difficult for those working in the context of failed states widespread corruption or limited resources With this in mind the Stolen Asset Recovery StAR Initiative has developed and updated this Asset Recovery Handbook A Guide for Practitioners to assist those grappling with the strategic organizational investigative and legal challenges of recovering stolen assets A practitioner led project the Handbook provides common approaches to recovering stolen assets located in foreign jurisdictions identifies the challenges that practitioners are likely to encounter and introduces good practices It includes examples of tools that can be used by practitioners such as sample intelligence reports applications for court orders and mutual legal assistance requests StAR the Stolen Asset Recovery Initiative is a partnership between the World Bank Group and the United Nations Office on Drugs and Crime that supports international efforts to end safe havens for corrupt funds StAR works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets

**Ship Sale and Purchase** Matt Hannaford, Paul Turner, Iain Goldrein, 2023-09-04 Ship Sale and Purchase is the essential working guide for anyone involved in the business of making ship sale and purchase agreements and also in the resolution of disputes arising out of such agreements The seventh edition of Ship Sale and Purchase contains a detailed clause by clause analysis of SHIPSALE 22 the new standard form Memorandum of Agreement for ship sales and purchases published by BIMCO in 2022 This clause by clause analysis is supplemented by commentary on the corresponding provisions of the other leading standard forms used in the global shipping markets SALEFORM 2012 the latest version of the longstanding standard form produced by the Norwegian Shipbrokers Association SINGAPORE SHIP SALE FORM 2011 and NIPPONSALE 1999 and the main differences between these forms and SHIPSALE 22 This edition of Ship Sale and Purchase also contains a comprehensive description of the many ways in which standard form agreements may be modified through amendments to the printed terms and the use of additional clauses to suit the particular requirements of the parties to individual transactions In addition it analyses relevant

decisions of the English courts and arbitration tribunals and explains the implications of these decisions for ship sale and purchase transactions The seventh edition also includes commentary on changes in working practices such as the use of electronic signatures the practice of remote closings payment mechanisms and the impact of sanctions and anti corruption legislation As with previous editions the seventh edition of Ship Sale and Purchase seeks to provide legal analysis market insight and practical guidance for all those involved in the business of buying and selling second hand ships
