Drake Craft, 2016-07-18. Step by Step Image Blueprint Instructions of Gorgeous Minecraft Houses. Want an easy and fast way to build impressive houses and buildings in Minecraft? Remember the days when on your first night in Minecraft you would build an ugly dirt or oak hut. Or worse, you just burrowed straight into the ground with nothing but a torch. Have you ever actually tried to build a beautiful house, but it turns into a simple wooden square and you weren't sure how to fix it? No more ugly houses. No more embarrassing yourself on multiplayer with simple structures. It is time to build something so elegant that your fellow Minecraft players will get jealous. The best way to do that is to learn by example. That's why Drake Craft offers easy-to-follow step-by-step layer-by-layer photo example blueprints of a bunch of various houses. How should you use our book? First, skim through each of our chapters to find the perfect image of a house you want to build. Once you have selected your house, follow the chapter's step-by-step instructions on how to construct this build. You will start on the ground level with a photo image for each layer. Gather materials and layer by layer build your gorgeous custom home from the ground up. Here are the amazing values that our book offers: A wide variety of builds so that you can find the house that best fits you. Step-by-step instruction so you can easily see how to construct each layer. Photos of each layer in the house build so
