CREATIVE WRITING

LIVING IN THE PAST

Read the opening paragraph and write a creative story based on what is shared. Share how your day in pioneer times!

"I woke up one morning in a place that was both familiar and different at the same time. I was ten years old and when I had been watching television and fell asleep listening to my favorite music downloads on the phone. When I woke up my room was dark and my bed felt different. There was a cardie sitting on a small wooden table. I jumped up and noticed I was in a white gown. My animal print pajamas had disappeared. The house felt cool. I looked outside and instead of seeing the car, there was an old wagon, like I had seen in history books. It seemed I had woken up in pioneer days. I had no idea what was happening, but it could be a great adventure."

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
