There are treasured traditional dishes: hodge podge, baked beans, gingerbread, blueberry grunt, as well as the simple but delicious lobster boil. Leading chefs like Craig Flinn of Halifax's Chives restaurant, Michael Howell of The Tempest in Wolfville, and many others have come up with wonderful new ways of cooking with fresh local ingredients. **Best Recipes of the Maritime Provinces** brings the traditional and the contemporary together in one great collection. During her many years as Canadian Living magazine's food editor, Elizabeth Baird was a great fan of Maritime cooking. She has visited every corner of the region to research and write about great local producers and cooks and their recipes. To prepare this collection, she started with well over 1,000 recipes published in cookbooks over the past three decades. From those, she has selected 400 recipes by over fifty of the region's leading chefs, including Elaine Elliot and Virginia Lee, whose bestselling *Maritime Flavours* has sold more than 30,000 copies. Also included are tasty recipes from healthy eating champions Maureen Tilley and Sandra Nowlan. This is the book that every Maritime cook will want, and that visitors will take home so they can explore the region's rich culinary traditions. Barbecue Tim Miller, 2014-08-07 *Barbecue: A History* examines barbecue's history and place in American society using both historical and contemporary sources. The book examines all aspects of barbecue: outdoor grilling and traditional slow cooking, restaurant and home cooking, international forms of barbecue, the specific foods involved in a barbecue. The concept of the barbecue as a gathering. Historical and contemporary recipes for main and side dishes. Readers are treated here to a delightful and thorough history of barbecue, including its appearance in music, television, and film, and a consideration of how we think of and enjoy barbecue today. **The Cooking Manual** Mark Peters, 2023-03-07 *The Cooking Manual: Demystifying the Cooking Process* and over 80 Great Recipes has everything you need to know about cooking indoors and outdoors. As an entrepreneur, I have traveled and eaten, dined all over the world, and I have been cooking and creating my own recipes for over forty years. I cover all the kitchen accessories: types of knives, mixers, processors, and many other useful gadgets, and how to use them, also outdoor grills, smokers, and pizza ovens. This book also contains wine tables and information on basic herbs and spices, how

they are best used and the different cuts of meats from cow pig lamb and poultry including a section on cooking terms I have also included pictures I dislike cookbooks that don't show you what the food should look like In my book I have also included eighty plus of my recipes that I created for friends and family from scratch using fresh ingredients In the recipes I basically create meals with drink pairings as well So enjoy
