## Lamour Dans Le Sang:

Musicals in Film Thomas S. Hischak, 2016-11-07 This wide ranging guide introduces or reintroduces readers to movie musicals past and present enabling them to experience the development of this uniquely American art form and discover films they ll love This comprehensive guide covers movie musicals from their introduction with the 1927 film *The Jazz Singer* through 2015 releases In all it describes 125 movies opening up the world of this popular form of entertainment to preteens teens and adults alike An introduction explains the advent of movie musicals then in keeping with the book s historical approach films are presented by decade and year with overviews of advances during particular periods In this way the reader not only learns about individual films but can see the big picture of how movie musicals developed and changed over time For each film covered the guide offers basic facts studio director songwriters actors etc as well as a brief plot synopsis Each entry also offers an explanation of why the movie is noteworthy how popular it was or wasn t and the influence the film might have had on later musicals Sidebars offering brief biographies of important artists appear throughout the book

*White Lens on Brown Skin* Matthew B. Locey, 2023-02-21 From the earliest accounts of contact with Europeans Polynesians have been perceived as sensual and sexual beings By the late 1800s publications lectures and stage plays about the Pacific became popular across Europe and often contained exotic and erotic components This book details the fusion of truth and fiction in the representation of Pacific Islanders focusing on the sexualization of Polynesians in American cinema and other forms of mass communications and commercial entertainment With messaging almost subliminal to American audiences the Hollywood media machine produced hundreds of tropical film titles with images of revealing grass skirts scanty sarongs female toplessness and glistening exposed male pectorals This critical filmography demonstrates how the concept of sex sells especially when applied on a large scale shaped American social views on Polynesian people and their culture Chapters document this phenomenon and an annotated filmography of sexualized tropes and several appendices conclude the book including a glossary of Polynesian terms and a film index
