been impervious to reform Blue ends in 2015 with the LAPD on its unfinished road to reform as events in Los Angeles New York Baltimore and Ferguson Missouri raise alarms about the very strategies Bratton pioneered and about aggressive racial profiling and the militarization of police departments throughout the United States Domanick tells his story through the lives of the people who lived it Along with Bratton he introduces William Parker the legendary LAPD police chief Tom Bradley the first black mayor of Los Angeles and Charlie Beck the hard nosed ex gang cop who replaced Bratton as LAPD chief The result is both intimate and expansive a gripping narrative that asks big questions about what constitutes good and bad policing and how best to prevent crime control police abuse and ease tensions between the police and the powerless Blue is not only a page turning read but an essential addition to our scholarship Adapted from book jacket
